RE: CM/ECF Version 3.2 Implementation

**CLERK'S
ANNOUNCEMENT
08-01**

This is to announce that over the weekend of October 18-19, 2008, CM/ECF will be upgraded to Release 3.2. There are several substantial changes to the way CM/ECF looks and works, so we strongly encourage you to review the demonstration modules in the Attorney/Trustee Manual which you can access through the link below, or by copying and pasting it into your browser window.

http://www.vtb.uscourts.gov/atman/external/WebHelp/What_s_New/Demonstrations.htm

In addition, for those who would like a more comprehensive discussion of the changes, the Administrative Office of the United States Courts has created a document titled [CM/ECF Bankruptcy Release 3.2 - Notes for PACER Users](#) which highlights the major changes you, as a PACER user, will find once this release is installed.

The upgrade will be completed by October 20, 2008. You should not experience any problems as a result of the upgrade, but if you do notice anything unusual, please contact the CM/ECF Help Desk immediately by calling (802) 776-2000. If not calling during normal working hours, please leave a voice message.
