(2) Consolidated Master Mailing List. Within seven days of the entry of the order of joint administration, the party who obtained the order must file with the Clerk a consolidated master mailing list constituting an aggregate master mailing list of all interested parties in all the jointly administered cases without duplication. See Local Rule 1007-3.

(3) Additional Copies. In jointly administered chapter 9 or 11 cases, the Clerk may require the parties to file additional copies of documents.

(c) Substantive Consolidation of Related Cases.

(1) Motion. Unless otherwise ordered, motions for substantive consolidation must be presented in each of the subject cases, served on all creditors and parties in interest, and specify which case the movant seeks to have designated as the lead case.

(2) Consolidated Master Mailing List. Within seven days of the entry of the order of substantive consolidation, the party who obtained the order must file with the Clerk a consolidated master mailing list constituting an aggregate master mailing list of all interested parties in all the substantively consolidated cases without duplication. See Local Rule 1007-3.

(3) Caption, Docket Entries, and Filing. Prior to the entry of an order of substantive consolidation, all documents must be filed with captions corresponding to the cases in which they are filed. Once the court has ordered the cases substantively consolidated, those cases will be treated as one case for all purposes, with a single case number, caption, claims register, and docket.

(d) How to Terminate Substantive Consolidation.

- (1) A party seeking an order terminating substantive consolidation must file a motion:
 - (A) in a chapter 7 asset case, the motion must be filed no later than the date set for the hearing on the trustee's final report;
 - (B) in a chapter 12 or 13 case, the motion must be filed no later than 60 days after the last date for filing a proof of claim, provided that any creditor who files a proof of claim has 60 days after the claim is timely filed to file a motion to terminate the substantive consolidation; and
 - (C) in a chapter 11 case, the motion must be filed prior to the entry of an order confirming the plan, unless the Court has entered an order allowing proofs of claim to be filed after confirmation, in which case the motion must be filed within the period specified for chapter 12 or 13 cases.
- (2) Termination of substantive consolidation will be effective retroactively, and post-petition acquisitions of the estate will be allocated accordingly, to the extent proceedings in the consolidated cases have not rendered that impossible.

RULE 1017-1. DISMISSAL OF CASES.

See generally Vt. LB Appendix II.

(a) Effect on Related Adversary Proceedings and Contested or Other Matters. When a case is dismissed, any related adversary proceeding, contested matter, or other pending matter will be dismissed without prejudice, and without further order of the Court, unless ordered otherwise. In cases with pending appeals that may be dismissed, the dismissal of the case will not deprive the parties of their right to pursue the appeal. A party to an adversary proceeding that is dismissed under this Rule may file a motion to reinstate the adversary proceeding within 30 days of entry of the order dismissing the underlying bankruptcy case upon a showing that dismissal of the case did not render the adversary proceeding moot.

(b) Special Provisions Required in Motions to Dismiss Chapter 13 Cases.

- (1) Debtor's Attorney's Fees. A party filing a motion to dismiss a chapter 13 case must set forth the status of the debtor's payment of attorney fees to the debtor's attorney or state that this information is not available.
- (2) Debtor as Movant. When the debtor files a motion to dismiss a chapter 13 case, the motion must also include:
 - (A) the total fee the debtor agreed to pay the attorney for the chapter 13 case,
 - (B) the amount the debtor has paid to the debtor's attorney to date,
 - (C) the amount the debtor's attorney has earned to date, and
 - (D) whether the debtor's attorney has agreed to refund any portion of the fee paid, or waive a portion of the unpaid balance, upon dismissal of the case.
- (3) Creditor or Trustee a Movant. When a creditor or the trustee files a motion to dismiss a chapter 13 case, the movant must also specify in their motion whether they seek to have the debtor's attorney

disgorge a portion of the fee paid, or waive a portion of the unpaid balance, upon dismissal of the case. See also Local Rule 2016-1(f).

RULE 1017-2. CONVERSIONS.

See generally Vt. LB Appendix II.

- (a) **Conversion from Chapter 7 to Chapter 13.** See Local Rule 9013-1(e).
- (b) **Conversion from Chapter 11 to Chapter 7.** A chapter 11 debtor may seek conversion to chapter 7 by filing an ex parte motion affirming that the requirements of § 1112(a) have been met and serving a copy of the motion on the United States Trustee.

RULE 1019-1. FILING OF THE CHAPTER 13 TRUSTEE'S FINAL REPORT AND ACCOUNT, AND NOTICE OF TRUSTEE'S PROPOSED REFUND OR DISBURSEMENT OF FUNDS ON HAND, ON CONVERSION OF A CASE FROM CHAPTER 13 TO CHAPTER 7.

- (a) **Filing of Trustee's Final Report and Account after Conversion.** When a chapter 13 case is converted to a case under chapter 7, the chapter 13 trustee shall file, and transmit to the United States Trustee, a final report and account, not later than 60 days after conversion of the case.
- (b) **Notice of Refund or Disbursement of Funds on Hand.**
 - (1) If the chapter 13 trustee has funds on hand at the time of a notice of conversion of a case from chapter 13 to chapter 7, the chapter 13 trustee shall file and serve a "Standing Trustee's Notice of Refund" (the "Notice"). The Notice shall indicate the amount of funds the chapter 13 trustee has on hand and the source of those funds, if known.
 - (2) If the source of the funds on hand is post-petition wages, post-petition income, or other sources other than non-exempt funds or property, the trustee may pay the refund to the debtor without filing the Notice.
 - (3) The Notice shall be served on the debtor, the debtor's attorney, the chapter 7 trustee, and all parties listed on the master mailing list.
- (c) **Objection to Proposed Refund or Disbursement of Funds.** Any objection to the Notice shall be filed within seven days.
- (d) **Order Authorizing Refund or Disbursement of Funds on Hand.** The chapter 13 trustee shall obtain an order authorizing the refund or disbursement of funds. In the event an objection to the Notice is filed, the chapter 13 trustee shall not disburse the funds on hand until the Court enters an order adjudicating the objection and specifying how the funds are to be disbursed.

PART II - OFFICERS AND ADMINISTRATION; NOTICES; MEETINGS; EXAMINATIONS; ELECTIONS; ATTORNEYS AND ACCOUNTANTS

RULE 2002-1. NOTICE TO CREDITORS AND PARTIES IN INTEREST.

- (a) **Duty to Provide Notice of Motions.** Unless otherwise directed by the Code, the Bankruptcy Rules, or these Rules, the Clerk is authorized to designate the parties who must serve notice on creditors and other parties in interest when notice is required under the Code, the Bankruptcy Rules, or these Rules. Failure to serve timely and proper notice may result in (1) dismissal of the motion, (2) no action on the motion,

and/or (3) an order directing the movant to pay costs if a party is prejudiced by the movant's failure to serve the motion timely and properly.

- (b) Chapter 12 and 13 Plans.** The Clerk will give notice of the time fixed for objecting to the chapter 12 or 13 plan first filed by the debtor. By contrast, the debtor's attorney (or the debtor, if *pro se*) must give notice of the time fixed for objecting to any subsequently filed amended plan or modified plan the debtor files.
- (c) Clerk will Provide Master Mailing List.** Upon request, the Clerk will provide a party with a master mailing list when these Rules require or permit a party other than the Clerk to give notice to creditors and other parties in interest.
- (d) Method of Service.** Notices and documents required to be sent by a party other than the Clerk may be served (1) in person, (2) by e-mail if the recipient has consented to e-mail service, (3) by fax if the recipient has consented to fax service, (4) by regular, first-class mail, or (5) by certified mail. In emergency situations, alternate notice may be approved by the Court. See also Local Rule 9075-1(b)(1)-(3).
- (e) Service on the United States Trustee by Parties not Registered for CM/ECF.** Parties who are not registered users of CM/ECF must serve the United States Trustee with all notices of motion, together in the same envelope with (1) the motion, (2) supporting affidavits, (3) exhibits, and (4) a copy of the certificate of service. Unless ordered otherwise, all *ex parte* applications (including the required affidavits and exhibits) must be served upon the United States Trustee at the time they are filed.
- (f) Forms of Service.** When service is not made via CM/ECF, and a motion consists of several documents, the movant must serve all parties entitled to service of the motion papers with the motion, exhibits, and notice of hearing to the e-mail address designated by each party in a single e-mail or by first-class mail in a single package.
- (g) Service of Motions to Determine Value.** When a chapter 13 debtor seeks a determination of the allowed amount of a secured claim, and a corresponding determination of the value of the collateral securing that claim, the debtor must request that determination in their plan, i.e., in Part 3.2 of Official Form 113, and by filing a motion under Section 506(a). If the holder of a claim subject to a request for such a determination is entitled to an elevated level of service, e.g., per Bankruptcy Rule 7004(h), the movant must effectuate proper service of the plan on that party and file a certificate of service. See also Local Rule 3012-1.

RULE 2003-1. MEETING OF CREDITORS OR EQUITY SECURITY HOLDERS.

Documents required at the First Meeting of Creditors. The debtor or the debtor's attorney, if represented, must abide by the Section 341 Meeting of Creditors Information Guidelines promulgated at the United States Trustee's website: <https://www.justice.gov/ust.moc> and any supplemental requirements promulgated by the assigned case trustee with regard to proof of debtor identification and the providing of other documents and information to the case trustee. Failure to do so may result in the trustee adjourning the meeting and debtor and the debtor's attorney being required to appear at subsequent meetings of creditor and/or the Court considering any motion to dismiss that may be filed by an interested party.

RULE 2003-2. CREDITORS' COMMITTEE DUTY TO PROVIDE INFORMATION IN CHAPTER 11.

Abrogated.

RULE 2014-1. EMPLOYMENT OF PROFESSIONALS.

- (a) Retention Procedure.** An application for the employment of a professional person (attorney, accountant, appraiser, auctioneer, agent, or other professional) pursuant to sections 327 and 328 of the Code, must state the specific facts showing the reasonableness of the terms and conditions of the employment, including the terms of any retainer, hourly fee or contingent fee arrangement.
- (b) Notice.**
- (1) Applicant must file its application on 14 days' notice to the United States Trustee. All applications must include the professional's name, complete mailing and physical addresses, telephone number, and e-mail address.

 - (A) whether the professional represented any creditor against the debtor in the instant case,
 - (B) the percentage of total annual revenues the professional's firm earned during the past year from these clients (or former clients) who are creditors of the debtor, and
 - (C) a statement by the professional acknowledging a continuing duty to exercise due diligence, monitor the reported revenue from these clients, and notify the Court if the above information changes, through addenda to the professional's Bankruptcy Rule 2016(b) disclosure statement.
 - (3) The Court will consider the application ripe for a ruling on the earlier of (1) the filing of a response by the United States Trustee, or (2) the expiration of the 14-day notice period, subject to the limitations imposed by Bankruptcy Rule 6003(a). Unless otherwise ordered by the Court, no hearing is necessary on an application to retain a professional.
- (c) Proposed Order to Accompany Application to Retain a Professional.** The Applicant must file a proposed retention order that includes a provision stating the professional's compensation is subject to Court approval and specifies the Code section under which the professional is employed (generally § 327). See also Local Rule 9072-1(b).
- (d) Applications for Compensation.** See Local Rule 2016-1; see also Local Rule 2016-2.

RULE 2015-1. DEBTOR-IN-POSSESSION – DEBTORS' OPERATING REPORTS IN CHAPTER 12.

- (a) Requirement to File Operating Reports; Waiver.** Every chapter 12 debtor shall be required to file monthly operating reports, commencing in the month following the filing of the chapter 12 petition (or entry of the order converting the case to chapter 12), using Local Forms S-3, S-4, and S-5, or similar format, unless the debtor demonstrates good cause to waive or modify this requirement within 21 days of the filing of the petition (or conversion order). A debtor may file a motion to waive the requirement to file operating reports or modify the content and/or frequency of the operating reports to be filed, using Local Form S-6.
- (b) Failure to File Operating Reports.** If a chapter 12 debtor fails to file complete and timely operating reports, such failure may constitute cause for dismissal of the case under § 1208.

(c) Operating Order. The Court will enter an operating order in every chapter 12 case, describing the debtor's duties generally, including the duty to file monthly operating reports and applicable local addenda. If the Court does not enter an operating order in the case, the trustee or another party in interest may file a motion requesting entry of an order directing the chapter 12 debtor to file operating reports.

RULE 2015-2. DEBTOR-IN-POSSESSION –BUSINESS DEBTORS' OPERATING ORDERS IN CHAPTER 13.

(a) Requirement to File Operating Reports; Waiver. Every individual who files a business chapter 13 case, and (a) designates their bankruptcy case as a business chapter 13 case on their petition, or (b) derives income from rental property or from operating a business, profession, or farm (cumulatively referred to herein as a "chapter 13 business debtor"), shall be required to file monthly operating reports, commencing in the month following the filing of the petition (or entry of the order converting the case to chapter 13), using Local Form S-1, unless the debtor demonstrates good cause to waive or modify this requirement within 21 days of the filing of the petition (or conversion order). A debtor may file a motion to waive the requirement to file operating reports or modify the content and/or frequency of the operating reports to be filed, using Local Form S-2.

(b) Failure to File Operating Reports. If a chapter 13 business debtor fails to file complete and timely operating reports, such failure may constitute cause for dismissal of the case under § 1307.

(c) Operating Order. The Court will enter an operating order in every chapter 13 business debtor's case, describing the debtor's duties generally, including the duty to file monthly operating reports and applicable local addenda. If the Court does not enter an operating order in the case, or if the debtor begins deriving income post-petition from operation of a business, profession, or farm, then the trustee or another party in interest may file a motion requesting entry of an order directing the chapter 13 business debtor to file operating reports.

RULE 2016-1. COMPENSATION OF PROFESSIONALS.

(a) Fee Application Guidelines.

(1) Except as set forth in subparagraph (2) below, any entity seeking interim or final compensation for professional services rendered, or for reimbursement of expenses, must comply with (A) Bankruptcy Rule 2016, (B) 28 C.F.R. Appendix A to Part 58, Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 ("United States Trustee Guidelines"), and (C) applicable case law. See also Local Rule 6005-1(e).

(2) When the debtor's petition lists \$50 million or more in assets and \$50 million or more in liabilities, any entity seeking interim or final compensation for professional services rendered must comply with (A) Bankruptcy Rule 2016, (B) 28 C. F. R. Appendix B to Part 58, Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases ("United States Trustee Guidelines for Larger Cases"), and (C) applicable case law.

(b) Applications for Compensation of \$1,000 or Less. When a professional seeks compensation in an amount equal to or less than \$1,000, the professional must file an application for compensation on 14 days' notice to the United States Trustee. Such applications, whether made directly by a professional or on behalf of a professional, must include the professional's name, complete mailing and street addresses, telephone number, and e-mail address. The Court will consider the application ripe for ruling on the earlier of (1) the filing of a response by the United States Trustee, or (2) the expiration of the 14-day notice period. No hearing shall be set on the application unless the Court deems a hearing is necessary.

- (c) **Applications for Compensation Greater than \$1,000.** Professionals seeking compensation in an amount greater than \$1,000 must file a motion and may use the default procedure described in Local Rule 9013-4. See Local Rule 9013-4(b)(7).
- (d) **Certification Required.** Whenever a trustee or debtor (or, in a corporate case, the appropriate officer of the debtor) seeks approval of fees for a professional, they must specify in the application (or in a separate certification) that they have reviewed and support the application for fees as filed or, if they oppose the application to any extent, state the factual and legal basis for their objection(s). When a professional other than one retained by a debtor or trustee (e.g., a professional retained by an official or unofficial committee) seeks compensation from the estate, the executive officer or chairperson of the retaining entity must file a statement supporting or opposing the application.
- (e) **Retainers.** In a chapter 11 or 12 case, a professional may not draw down or take a payment from a retainer until the professional has an order of the Court authorizing the professional to do so, notwithstanding any agreements to the contrary between a debtor and the debtor’s professionals.
- (f) **Requirement to File Fee Applications.** The Court, in the exercise of its discretion, may order a debtor’s attorney to file a fee application in any case and may direct disgorgement of all or part of the fee if the Court finds the fee to be unreasonable or paid in violation of the Code, Bankruptcy Rules, or these Rules. See 11 U.S.C. § 329.
- (g) **Real Estate Brokers.** If approved in a retention order, a real estate broker may be paid the customary commission at closing, as defined in Local Rule 6004-1(e)(4), subject to disgorgement in the event the Court determines the commission is unreasonable under the particular circumstances of the case or the estate is administratively insolvent.
- (h) **Scope of Duties to be Performed by Debtor’s Attorney for Flat Fee Charged.** Except as provided in subparagraph (h)(4) and paragraph (i) below, the flat fee charged by a chapter 7 or 13 debtor’s attorney shall include the following services:
- (1) In both chapter 7 and 13 cases:
 - (A) analyzing the prospective debtor’s financial situation, and advising and assisting the prospective debtor in determining whether to file a petition under the Bankruptcy Code;

 - (J) compiling and forwarding to the case trustee documents required by § 521 and Local Rule 4002-1; and
 - (K) preparing and filing a Debtor's Certification About a Financial Management Course. See Official Form B 423.
- (2) In addition to the tasks identified in subparagraph (1) above, in each chapter 7 case, where warranted by the facts of the case, the duties the retained attorney must perform in consideration of the flat fee also include:
- (A) filing a motion to waive the chapter 7 filing fees;
 - (B) negotiating, preparing, and filing reaffirmation agreements; and
 - (C) preparing and filing motions under § 722 to redeem exempt personal property from liens.
- (3) In addition to the tasks identified in subparagraph (1) above, in each chapter 13 case, where warranted by the facts of the case, the duties required of the retained attorney also include:
- (A) attending confirmation hearings and addressing all objections to confirmation;
 - (B) filing a valuation motion in accordance with Bankruptcy Rule 3012, where a debtor seeks to modify the amount of a secured claim pursuant to § 506(a), and, where necessary, introducing evidence as to the value of the collateral securing the subject claim (typically at or in connection with the confirmation hearing);
 - (C) where warranted, preparing and filing a motion to strip a wholly unsecured mortgage under § 506; and
 - (D) preparing and filing a motion for entry of the discharge order.
- (4) Applications to Limit the Scope of Legal Services in Certain *Pro Bono* and Reduced Fee Cases. Where a debtor is represented by an attorney retained through Legal Services Vermont, on either a *pro bono* or reduced fee arrangement, the attorney may file an application to limit the scope of employment and reduce the scope of legal services to exclude certain items enumerated in subparagraphs (h)(1) – (3) above. A debtor's attorney seeking this relief must file the application within 21 days of the filing of the petition, and must serve it on the debtor, case trustee, Legal Services Vermont, and the United States Trustee.
- (i) **Unbundled Legal Services.** In a chapter 7 case, the Court will allow unbundled legal services with respect to a filing fee waiver application when:
- (1) Legal Services Vermont has referred, and an attorney has accepted, a case for pro bono or reduced fee legal representation;
 - (2) the Court has set a hearing on the debtor's application for waiver of the chapter 7 filing fee in that case; and

- (3) a representative from Legal Services Vermont is willing to appear at the hearing to represent the debtor with respect to the debtor's eligibility for a fee waiver.

RULE 2016-2. PAYMENT OF DEBTOR'S ATTORNEY'S FEES IN CHAPTER 13.

- (a) **Presumed Reasonable Fee in Chapter 13 Case.** Unless an objection is filed and sustained, or the Court *sua sponte* determines otherwise, the debtor's attorney's fees will be presumed reasonable up to the amounts set forth in Vt. LB Appendix XI and may be allowed as an administrative expense in a chapter 13 case.
- (b) **Payment of Debtor's Attorney's Fees in Chapter 13 Case.** Attorney's fees set forth in Bankruptcy Rule 2016(b) disclosure statement that are not paid in full prior to the filing of the case must be paid through the debtor's plan and may be paid ahead of other creditors if that treatment is both set forth in the plan and approved by the Court. Any attorney's fees incurred after the initial Bankruptcy Rule 2016(b) statement is filed (1) must be disclosed promptly in an amended Bankruptcy Rule 2016(b) statement, (2) may be charged to the debtor only after the Court approves them, and (3) must also be paid through the plan.
- (c) **Applications for Fees in Excess of the Presumed Reasonable Fee.** If a debtor's attorney seeks a fee higher than the presumed reasonable fee, the plan and the Bankruptcy Rule 2016(b) statement must include an explanation of why the higher fee is warranted in the case, and the attorney must be prepared to file a fee application for the higher amount of fees. Attorneys must maintain time records and be prepared to demonstrate the reasonableness of all fees they charge regardless of whether the amount charged is below, at, or above the presumed reasonable fee.
- (d) **Other Presumed Reasonable Fees.**
 - (1) **Presumed Reasonable Fees for Certain Motions.** For certain routine motions, there is a rebuttable presumption that a fee is reasonable if it does not exceed the amounts specified in Vt. LB Appendix XI. An attorney may request fees as part of a motion or application, without a separate fee application, if the fees do not exceed the presumed reasonable fee for that motion or application.
 - (2) **Fees Higher than Presumed Reasonable Fees.** Counsel may seek a fee higher than the presumed reasonable fee by filing a fee application in compliance with these Rules. The availability of a presumed reasonable fee does not entitle counsel to seek a fee that exceeds the value of the time actually spent on the motion or relieve counsel of the obligation to keep accurate, contemporaneous time records.
- (e) **Duties of Applicant Seeking Compensation for Post-Petition Services.** Except as provided in this Rule, if an attorney renders legal services post-petition, including post-mediation services related to loss mitigation, and they wish to be compensated for those services, the attorney must file:
 - (1) a fee application in a form and manner consistent with these Rules;
 - (2) an amended Bankruptcy Rule 2016(b) statement;
 - (3) a motion to modify the plan to
 - (A) increase the funds being paid to the chapter 13 trustee,
 - (B) extend the term of the plan,
 - (C) include an alternate funding source, or

- (D) diminish the dividend to some creditors, if the funds being paid into the confirmed plan are not sufficient to fund the payment of fees sought;
 - (4) notice of motion; and
 - (5) a certificate of service.
- (f) **Consideration of Fees at Time of Dismissal.** All motions to dismiss a chapter 13 case must contain a request that the Court consider whether any fees paid or due to the debtor's attorney should be allowed.

RULE 2090-1. ATTORNEYS – ADMISSION TO PRACTICE.

(a) **Admission of Attorneys Generally.** The District Court Local Rules govern admission of attorneys to the bar of the District of Vermont, including the Bankruptcy Court. Attorneys may apply for admission through the Bankruptcy or District Court. Once admitted to the bar of the District of Vermont, an attorney is admitted to practice for all purposes in both the Bankruptcy and District Courts. See General Order # 82. Additionally, attorneys must register for CM/ECF as a pre-requisite to filing documents in this Court unless the Court grants an attorney's motion to waive the registration requirement. See Local Rule 5005-3; see generally Local Rule 9011-1. Any notice of appearance filed by an attorney who is not registered for CM/ECF must include a statement of consent to service by e-mail and include the filer's e-mail address.

(b) **Admission of Attorneys *Pro Hac Vice*.**

- (1) Application for Admission. Any attorney who is a member in good standing of the bar of any federal court or of the highest court of any state may apply for *pro hac vice* admission to this Court by fulfilling the following requirements:
 - (A) Motion. Only a member in good standing of the bar of the District of Vermont who is professionally associated with the applicant in the subject case or proceeding may move for the applicant's *pro hac vice* admission. The movant need only serve the United States Trustee and the debtor or plaintiff's attorney (if any).
 - (B) Supporting Affidavit. The applicant must attach to the motion an affidavit containing the following information:
 - (i) the applicant's office mailing address, e-mail address, and telephone number;
 - (ii) a list of the courts to which the applicant has been admitted to practice, the dates of admission, and the applicant's bar identification number(s);
 - (iii) a statement specifying whether the applicant is in good standing and eligible to practice in those courts;
 - (iv) a statement specifying whether the applicant is currently suspended or disbarred in any jurisdiction;
 - (v) a statement describing the nature and status of any past or pending disciplinary matters involving the applicant;
 - (vi) an affirmation that the applicant has read the District Court Local Rules and these Rules;
 - (vii) a statement designating the movant as the applicant's agent for service of process and

this Court as the forum for the resolution of any dispute arising from the applicant's *pro hac vice* admission; and

(viii) a statement that the applicant understands their obligation to file a notice with the Clerk if any fact underlying the foregoing statements changes during the pendency of the case (e.g., if the applicant is suspended or disbarred in any jurisdiction), within 14 days of such changes in circumstances.

(C) Fee. The current rate established for the *pro hac vice* admission fee must be paid to "U.S. Bankruptcy Court" and must accompany the motion. The fee is non-refundable. The Clerk shall waive the admission fee for admission of federal government counsel.

- (2) Revocation. The Court may revoke *pro hac vice* admission for good cause at any time, including for an attorney's failure to disclose a material change to the affirmations made in support of the attorney's application for *pro hac vice* admission.
- (3) Local Counsel. Unless excused by the Court for good cause, an attorney admitted *pro hac vice* must remain at all times associated in the action with a member of the bar of this Court ("local counsel") upon whom all process, notices, and other papers must be served, who must sign all filings, and whose attendance is required at all hearings. An attorney may be local counsel without having an office or residence in Vermont.
- (4) Filing Documents Prior to Entry of Order Granting *Pro Hac Vice* Admission. An attorney who is not admitted in this Court may file documents once the *pro hac vice* application is filed, but the time period for the opposing party to file the responsive pleading does not commence until local counsel files a notice of appearance.
- (5) State Government Counsel. Any state government attorney who desires to appear in a case or proceeding pending before this Court may apply for admission under this Rule.
- (6) When *Pro Hac Vice* Admission Not Required. An attorney need not be admitted *pro hac vice* to file (A) a motion for relief from stay under § 362, (B) a proof of claim, or (C) a motion to redact a proof of claim. Unless waived by the Court, *pro hac vice* admission is required if litigation is necessary to adjudicate any of these matters.

(c) Legal Interns.

- (1) Eligibility to Appear. A person who is not yet licensed to practice law in Vermont, but who meets the eligibility requirements for legal interns described in Rules 21 and 22 of the Rules of Admission to the Bar of the Vermont Supreme Court, may appear as legal counsel in this Court if:
 - (A) the legal intern is supervised by an attorney who meets the initial requirements set forth in subparagraph (c)(2)(A) below;
 - (B) the supervising attorney files an application on behalf of the legal intern that comports with the requirements set forth in Rule 23(a) of the Rules of Admission to the Bar of the Vermont Supreme Court; and
 - (C) the Court grants the application.
- (2) Supervising Attorney.
 - (A) Initial Requirements. The supervising attorney must:

- (i) satisfy the qualification requirement described in Rule 24(b) of the Rules of Admission to the Bar of the Vermont Supreme Court;
 - (ii) be a member in good standing of the bar of the District of Vermont; and
 - (iii) be professionally associated with the legal intern.
- (B) Ongoing Obligations. The supervising attorney must:
- (i) perform the duties of supervision described in Rule 24(c) of the Rules of Admission to the Bar of the Vermont Supreme Court; and
 - (ii) promptly notify this Court in writing if the legal intern's eligibility to appear as legal counsel has terminated under subparagraph (c)(3)(C) below or becomes aware that the legal intern is otherwise ineligible under the Rules of Admission to the Bar of the Vermont Supreme Court.
- (3) Limitations. A legal intern may not:
- (A) perform activities except as authorized in Rule 24(d)–(e) of the Rules of Admission to the Bar of the Vermont Supreme Court;
 - (B) be compensated except as permitted by Rule 24(f) of the Rules of Admission to the Bar of the Vermont Supreme Court; or
 - (C) appear as a legal intern for longer than one year after the Court grants their application, unless the Court grants an extension.

RULE 2090-2. ATTORNEYS – DISCIPLINE AND DISBARMENT.

Abrogated.

RULE 2091-1. ATTORNEYS – WITHDRAWALS.

- (a) Withdrawal of Attorney for the Debtor.** Except as described in paragraph (b) below, an attorney who has appeared as attorney of record for a debtor may withdraw only upon order of the Court. No order of withdrawal will be issued without a hearing unless the Court, in its discretion, waives the hearing upon receipt of a written stipulation for attorney withdrawal signed by both the attorney and debtor. An order granting withdrawal of debtor's attorney must be served on all other parties in the case or proceeding in the manner set forth in paragraph (c) below.
- (b) Substitution of Attorney for the Debtor.** The Court may issue an order allowing substitution of attorney for the debtor without a hearing if a stipulation or substitution of counsel agreement (with the signature of the debtor, the withdrawing attorney, and the substituting attorney) is filed with the application for withdrawal. The Court may schedule a hearing to determine whether to approve the substitution (*e.g.*, where the substitution request is filed within seven days of a hearing on a contested matter or within seven days of a trial). If issued, the order granting the substitution must be served on all other parties in the case or proceeding in the same manner as is set forth in paragraph (c) below. An attorney commencing employment in the case as substitute counsel must immediately file a Bankruptcy Rule 2016(b) disclosure statement and otherwise fully comply with Local Rule 2016-1 and these Rules.

(c) Withdrawal or Substitution of other Attorneys.

- (1) Notice of withdrawal or substitution of attorneys, other than debtor's counsel, is effective upon filing and must be served upon all parties in the case or the proceeding, the case trustee, and the United States Trustee.
- (2) An attorney need not seek Court approval to withdraw from representing a creditor if the attorney has appeared solely for the purpose of filing a proof of claim, motion for relief from stay, reaffirmation agreement, or lease assumption.

PART III – CLAIMS AND DISTRIBUTION TO CREDITORS AND EQUITY INTEREST HOLDERS; PLANS

RULE 3001-1. CLAIMS AND EQUITY SECURITY INTERESTS – NO ASSET CASES.

Every chapter 7 case will be treated as a “no asset case” unless and until the case trustee files a “Notice of Asset Case,” upon which the Court will set a deadline for the filing of proofs of claim and issue a “Notice to File Claims” as required by Bankruptcy Rule 2002(e). Proofs of claim filed in a no asset case will be accepted by the Clerk for filing, but no action will be taken.

RULE 3002.1-1. HELOC CREDITOR NOTICE OF MORTGAGE PAYMENT CHANGE.

(a) Annual Statements. A creditor whose claim is secured by a chapter 13 debtor's principal residence which is based on a home equity line of credit (a “HELOC”), then the holder of that claim (the “HELOC Creditor”) shall be excused from complying with the general requirement of Bankruptcy Rule 3002.1(b)(1) if:

- (1) the monthly payment amount does not increase or decrease by more than \$10 in any single month;
- (2) the HELOC Creditor sends an annual statement within the same one-month period each year; and
- (3) the annual statement includes:
 - (A) a reconciliation statement showing the amounts of any monthly over-payments or under-payments over the course of the prior year;
 - (B) if there was a net over-payment for the prior year, the amount and application of the over-payment, the current balance the HELOC Creditor is holding, the location of the funds, and how the HELOC Creditor proposes to apply the over-payment against the current year's amounts due; and
 - (C) if there was a net under-payment for the prior year, an invoice for the amount necessary to satisfy that under-payment.

(b) Late Fees; Default. If the HELOC Creditor chooses to send an annual statement in lieu of notices of each payment change, then it may not assess any late fee, or declare the debtor to be in default, because of any shortfall in the monthly payment, if the debtor's payment was at least as much as was set forth on the last annual statement or a subsequent separate notice of payment change.

RULE 3002.1-2. OBJECTIONS TO NOTICE OF MORTGAGE PAYMENT CHANGE IN CONDUIT MORTGAGE PAYMENT CASES.

(a) Objection Pending. If, pursuant to Bankruptcy Rule 3002.1(b), the debtor or trustee files a timely objection to a notice of payment change filed by the holder of a claim secured by a security interest in the debtor's principal residence (the "Mortgage Creditor") in a Conduit Mortgage Payment case (as that term is defined in Local Rule 3015-6(a)(1)), then, until the Court rules on the objection:

- (1) the debtor is not required to increase the plan payment;
- (2) neither the debtor nor the trustee is required to increase the monthly disbursement to the Mortgage Creditor;
- (3) the Mortgage Creditor may not declare a default or otherwise seek to enforce its rights against the debtor based on the debtor or trustee's failure to make the increased mortgage payment; and
- (4) the trustee shall continue to make payments in the pre-notice amount and retain any additional sums if the debtor voluntarily increases the plan payment pending the Court's ruling.

(b) Objection Overruled. If the Court overrules the objection and allows the payment change, then:

- (1) within 14 days of entry of that order, the debtor shall file a motion to modify the plan and confirmation order with a proposed modified plan curing any post-petition mortgage default, increasing the monthly mortgage payment going forward, and adjusting the terms of the plan and amount of plan payments accordingly; and
- (2) the Mortgage Creditor may not declare a default or otherwise seek to enforce its rights against the debtor while the debtor's motion to modify plan is pending, so long as the debtor timely filed that motion.

(c) Objection Sustained. If the Court sustains the objection and disallows the payment change, then if the debtor voluntarily increased the plan payment while the objection was pending pursuant to subparagraph (a)(4) above, the trustee will apply any such retained sums either (1) as sums due under the confirmed plan (thus reducing the term of the plan) or (2) to the funds to be distributed to the general unsecured creditors (thus increasing the dividend to that class of creditors), as the debtor elects.

RULE 3002.1-3. MOTIONS DECLARING DEBTOR CURRENT ON MORTGAGE.

(a) Contents of Motion. Each motion declaring debtor current filed pursuant to Bankruptcy Rule 3002.1(f) and (h) shall:

- (1) inform the Mortgage Creditor of its obligation to file and serve a response under Bankruptcy Rule 3002.1(g) that includes the information specified in paragraph (b) below; and
- (2) include in the proposed order (A) a directive to enter on the Mortgage Creditor's (or its servicer's) books an entry reflecting the date and content of the Court order, including any corrective entry necessary to align its books with the Court order, and (B) an injunction against the Mortgage Creditor sending inaccurate notices.

(b) Contents of Response. Every response filed by a Mortgage Creditor, or its servicer, pursuant to Bankruptcy Rule 3002.1(g) shall contain the following information:

- (1) whether it agrees the debtor has paid in full the amount required to cure any pre-petition default;

- (2) whether the debtor is otherwise current on all post-petition payments, including any fees, charges, escrow, expenses, or costs associated with the mortgage loan due through the date of the response;
- (3) any unpaid principal balance owed as of that date;
- (4) any escrow account balance as of that date;
- (5) any suspense or other unapplied account balances as of that date; and
- (6) any fees, expenses, or charges that have been allowed but are unpaid as of that date.

(c) Duty to File Motion.

- (1) Conduit Mortgage Payment case. The trustee shall file any motion to declare debtor current in a Conduit Mortgage Payment case.
- (2) Non-Conduit Mortgage Payment case. The debtor's counsel (or the debtor, if *pro se*) may file any motion to declare debtor current in a case where the debtor has made the mortgage payments directly to the Mortgage Creditor or its servicer during the chapter 13 case.

RULE 3007-1. CLAIMS – OBJECTIONS.

- (a) Attachment of Proof of Claim to Objection.** Every objection to claim must include, as an exhibit, a copy of the proof of claim to which it objects.
- (b) Objections to Claims in Non-Subchapter V Chapter 11 Cases.** Except with respect to subchapter V cases, objections to claims in chapter 11 cases must be filed and served prior to the hearing held to consider and approve a disclosure statement, unless the Court orders otherwise.
- (c) Objections to Claims in Subchapter V Chapter 11 Cases.** Objections to claims in chapter 11 subchapter V cases must be filed and served no later than 30 days after the claims bar date set by the Court as stated in the subchapter V scheduling order entered in the case, unless the Court orders otherwise.

RULE 3012-1. VALUATION OF COLLATERAL, ALLOWANCE OF SECURED CLAIMS, AND ESTABLISHMENT OF INTEREST RATE IN CHAPTER 12 AND 13 CASES.

- (a) Creditor's Proof of Claim.** A creditor's proof of claim shall control for purposes of establishing both the amount of a creditor's allowed secured claim and the interest rate to be paid on that allowed secured claim, unless (1) the debtor's plan provides otherwise and is confirmed, or (2) the debtor files a motion, to allow the secured claim in a different amount or with a different interest rate, and the Court grants that motion. This subsection does not apply to claims of governmental units.
- (b) Debtor's Motion to Establish Amount of Secured Claim and Interest Rate.** The debtor, under § 506(a), may seek to have a creditor's secured claim allowed in an amount that corresponds to the debtor's assessment of the value of the collateral or with an interest rate different from the contractual interest rate, as set forth below.
 - (1) Through the Chapter 13 Plan (Except for Claims of Governmental Units). In a chapter 13 case, the debtor must propose the allowed amount of a secured claim and the interest rate to be paid on that claim, in Part 3.2 of Official Form 113. The debtor must identify the collateral, set forth the debtor's estimate of the collateral's value, explain the basis for the debtor's valuation, state the proposed amount of the allowed secured claim, state the proposed interest rate, and explain the basis for the

proposed interest rate if it is different from what the creditor asserts. The debtor must describe and attach proof of the creditor's interest in the collateral. The debtor must also file the plan separately as an embedded motion.

- (2) Through a Modified Chapter 13 Plan (Except for Claims of Governmental Units). If the debtor fails to seek valuation of the collateral and allowance of a secured creditor's claim in Part 3.2 of Official Form 113 prior to confirmation of the plan, the debtor must file a motion to modify the plan, to assert this relief under § 506(a).
- (3) In a Chapter 12 Case (Except for Claims of Governmental Units.) The debtor may establish the amount of an allowed secured claim in a chapter 12 case either through the plan or by motion. If in the plan, the debtor must include a conspicuously identified provision (i) setting forth the debtor's valuation of the collateral securing the claim, and (ii) proposing the allowed amount of, and interest to be paid on the secured claim, under §506(a). Whether the debtor seeks this relief through the chapter 12 plan or a motion, the debtor must set forth all information required in a chapter 13 case, as specified above, and must serve the plan or motion on the creditor in the manner required by the Bankruptcy Rules.

(c) Rebuttable Presumption of Valuation of Motor Vehicles. The value of motor vehicle collateral will be presumed to be the midpoint between the National Automobile Dealers Association average trade-in value and clean retail value unless (1) the parties agree to a different value, (2) the debtor or secured creditor presents an appraisal which the other party does not dispute, or (3) a different value is fixed by the Court after an evidentiary hearing held specifically to determine the value of that vehicle.

(d) Other Collateral Valuation. The debtor must specify the basis of each proposed valuation of collateral set out in Part 3.2 of Official Form 113 and attach documents that support the proposed valuation.

RULE 3013-1. MOTION TO STRIP LIEN OR MORTGAGE THAT IS WHOLLY UNSECURED IN CHAPTER 12 AND 13.

(a) Motion to Strip a Wholly Unsecured Lien or Mortgage under § 506(a). A motion under § 506(a) in a chapter 13 case must be made in Part 3.2 (and noted on Part 1.1) of the debtor's plan. See Local Rule 3015-1; see also Official Form 113.

(b) Contents of the Motion. In addition to the information required by Part 3.2 of Official Form 113, the debtor must attach to the motion:

- (1) a copy of the lien or mortgage that contains the recording information;
- (2) a clear description of the property subject to the lien or mortgage in question;
- (3) the document upon which the debtor is relying to establish the value of the property; and
- (4) a document setting forth the name and address of each entity that holds a lien of record against the property, the recording reference for each lien (including town, book, page, and date of recording), and the amount of the claim secured by each lien.

(c) Orders Granting Motions to Strip Mortgages or Other Liens in Chapter 12 and 13. Unless the Court approves different terms after notice to the lien holder or mortgagee and the chapter 12 or 13 trustee, in addition to the confirmation order, the debtor must file a proposed order stripping a lien or mortgage that:

- (1) specifies that the lien or mortgage is stripped only if the plan is completed;

- (2) states if the case is dismissed, the order granting the motion to strip the lien or mortgage is void;
- (3) provides the order is conditional and is of no effect unless it contains a certification by the chapter 12 or 13 trustee that the debtor satisfied all of their obligations in the case and the case was not dismissed; and
- (4) include the following trustee certification language:

Certification of Chapter 12/13 Trustee

I, [name], the Chapter 12/13 Standing Trustee for the District of Vermont, hereby certify under penalty of perjury under the laws of the United States of America that the Debtor has completed his/her Chapter 12/13 Plan.

Chapter 12/13 Trustee

RULE 3013-2. CLASSIFICATION OF CLAIMS AND INTERESTS IN CHAPTER 12.

Abrogated.

RULE 3013-3. CLASSIFICATION OF CLAIMS AND INTERESTS IN CHAPTER 13.

Abrogated.

RULE 3014-1. SECTION 1111(B) ELECTION IN SUBCHAPTER V CASE.

In subchapter V cases, a class of secured creditors may make an election under § 1111(b) not later than 30 days after the debtor files a subchapter V plan, or such later or earlier date as the Court may order.

RULE 3015-1. PLAN REQUIREMENTS IN CHAPTER 13.

(a) Required Form. All chapter 13 plans must be filed on Official Form 113, unless the Court grants the debtor leave to file the plan in a different format. Whenever these Rules discuss a chapter 13 plan or specify a “part” of a plan they are referring to Official Form 113.

(b) Embedded Motions.

- (1) Debtors must check the applicable box in Part 1 of the plan and complete the relevant sections in Part 3 of the plan, on Official Form 113, when seeking to:
 - (A) avoid judicial liens or nonpossessory, nonpurchase money security interests that impair their exemption under § 522(f);
 - (B) determine the value of collateral and fix the amount of the creditor’s claim secured by that collateral under § 506(a);
 - (C) strip one or more liens on their property;
 - (D) otherwise modify the payment of the claim from the terms in the parties’ contract (extend repayment period, reduce interest rate); or
 - (E) surrender collateral and terminate the automatic stay against that collateral.

These Rules refer to these requests for relief in a Plan as “embedded motions.”

- (2) Additionally, to obtain relief through an embedded motion, debtors must file the plan in CM/ECF a second time, in lieu of filing a separate motion for the specific relief, and attach a notice of motion (specifying the page and part of the plan requesting the relief), a certificate of service, and a proposed order granting that specific relief with a reference to the page and part of the plan where the relief was sought.
 - (3) The hearing date for an embedded motion must either precede or coincide with the hearing date for confirmation of the plan.
- (c) **Feasibility of Plan Payments.** Either the debtor must appear in person to present testimony evidencing an understanding of the plan terms and the ability to meet the proposed payments or file an affidavit in support of confirmation (Local Form CV-1).
- (d) **Minimum Monthly Payments.** Unless the Court orders otherwise for good cause shown, the minimum monthly plan payment is \$50.
- (e) **Sale Plans.** A plan that is funded in whole or in part from the sale of property is called a “sale plan.” Sale plans must (1) provide that the sale(s) will close within 1 year of confirmation of the plan, unless the Court approves a later closing date, (2) identify the property to be sold, the estimated sales price and the amount to be paid into the plan from the sale; and (3) provide an alternate form of relief for any creditor with an interest in the property in Part 2.4 of the plan. Once the debtor has a fully executed contract of sale, the debtor must file a separate motion to approve the sale.
- (f) **Treatment of Pre-Petition Claims.** All allowed pre-petition claims must be paid through the plan, regardless of a creditor’s preference or the dischargeability of the debt.
- (g) **Disclosure and Payment of Attorney’s Fees.** All unpaid pre-petition debtor’s attorney’s fees must be disclosed in the Bankruptcy Rule 2016(b) statement, included in the plan, and paid through the plan. All post-petition debtor’s attorney’s fees must be approved by the Court and paid through the plan.
- (h) **Service of Plans.** The Clerk will serve all original plans via CM/ECF or first-class mail. The debtor is responsible for any elevated service required under the Bankruptcy Rules for the relief sought in embedded motions.
- (i) **Amended Plans.** The debtor may file an amended plan, along with all necessary amended schedules supporting it, no later than seven days prior to the confirmation hearing date. The debtor must serve the amended plan on all parties whose treatment is diminished from the treatment set forth in the original plan.
- (j) **Motion to Enlarge Time to File Plan.** If a debtor files a motion to enlarge the time to file the plan and seeks to file the plan fewer than seven days before the date set for the initial meeting of creditors, the debtor must obtain the trustee’s consent.

RULE 3015-2. TIMING/LOCATION OF CONFIRMATION HEARINGS IN CHAPTER 13.

Abrogated.

RULE 3015-3. OBJECTIONS TO CONFIRMATION IN CHAPTER 13.

Abrogated.

RULE 3015-4. ADDITIONAL, SEPARATE, PROPOSED ORDERS REQUIRED FOR EMBEDDED MOTIONS IN CHAPTER 13.

Abrogated.

RULE 3015-5. CONFIRMATION ORDERS IN CHAPTER 13.

Confirmation orders shall set forth the terms of the plan approved at the confirmation hearing and may include minor adjustments and additions provided all affected parties consent to them. Orders confirming sale plans must identify the property to be sold (i.e., the physical address for real property, a vehicle identification number for a vehicle), the deadline for completing the sale(s) and the course of action if the deadline is not met.

RULE 3015-6. CONDUIT MORTGAGE PAYMENT PLANS IN CHAPTER 13.

(a) Definitions. For purposes of this Rule, the following terms have the stated meanings:

- (1) A “Conduit Mortgage Payment” is the Regular Monthly Mortgage Payment the debtor is obligated to pay to the mortgage creditor post-petition (as defined below), which the trustee disburses pursuant to the terms of this Rule.
- (2) A “Conduit Mortgage Payment Plan” is a plan which states in Part 3.1 of Official Form 113 that the trustee will make ongoing monthly mortgage payments on one or more mortgages.
- (3) The debtor is “Delinquent” when the debtor owes the Mortgage Creditor any past due payments or other charges as of the Filing Date. This term does not include a failure to make Regular Monthly Mortgage Payments that could have been – and were – timely paid after the Filing Date.
- (4) The “Filing Date” is the date the case was commenced under chapter 13 or the date of conversion to chapter 13.
- (5) A “Mortgage Creditor” is an entity entitled to enforce an allowed claim secured by a properly perfected mortgage on the debtor’s principal residence, or the servicer for that entity, as determined by which entity files a proof of claim for the mortgage debt. Whenever this Rule refers to notice on the Mortgage Creditor, or requires the Mortgage Creditor to file a document, those references also include the Mortgage Creditor’s attorney.
- (6) The “Post-Petition Mortgage Arrearage” is the sum of past due Regular Monthly Mortgage Payments the debtor owes to a Mortgage Creditor that first came due after the Filing Date.
- (7) The “Pre-Petition Mortgage Arrearage” is the sum of regular monthly mortgage payments the debtor owes to a Mortgage Creditor that could last be timely paid prior to the Filing Date.
- (8) A “Regular Monthly Mortgage Payment” is
 - (A) the sum of the principal, interest, taxes, insurance, administrative fees, and any other charges properly escrowed, charged, or assessed under a promissory note, and secured by a properly perfected mortgage on the debtor’s principal residence, that is due each month; or
 - (B) a monthly amount of no less than the sum of the taxes, insurance, administrative fees, and anticipated interest and principal, that is proposed in conjunction with the debtor’s participation in this Court’s mortgage mediation program, provided that any plan proposing to use a regular monthly mortgage payment, defined under this Rule, may only be confirmed

by the Court if:

- (i) after notice and opportunity to object, the Mortgage Creditor does not object, and
 - (ii) the debtor's plan provides that the debtor will promptly modify this figure to match the outcome of mortgage mediation if the mediation yields a different regular monthly mortgage payment.
- (9) A "Waiver Order" waives the requirement for a debtor to make Conduit Mortgage Payments and will only be granted upon a showing of cause based upon exigent circumstances.

(b) Post-Petition Mortgage Payments.

- (1) When the Debtor is Not Delinquent. A debtor who is not Delinquent is not required to make Conduit Mortgage Payments but may elect to do so.
- (2) When the Debtor is Delinquent. A debtor who is Delinquent is required to make Conduit Mortgage Payments unless the debtor obtains a Waiver Order.

(c) Duties of the Debtor. In Conduit Mortgage Payment cases, the debtor must:

- (1) file a wage withholding authorization, Local Form Y-8, within 14 days of the Filing Date, unless the Court grants the debtor's motion for waiver of the wage withholding requirement;
- (2) promptly modify the amount of plan payments to comport with changes in the Regular Monthly Mortgage Payment;
- (3) promptly object to the Mortgage Creditor's proof of claim if the debtor has cause to believe the amounts or computations on the proof of claim are inaccurate; and
- (4) immediately file, and serve on the trustee, a copy of the acceptance of a trial payment plan ("TPP") so the trustee has the information necessary to disburse Conduit Mortgage Payments in a manner consistent with the terms of the TPP.

(d) Duties of the Trustee. In Conduit Mortgage Payment cases, the trustee must:

- (1) disburse payments to the Mortgage Creditor within 30 days of the date the Mortgage Creditor files a proof of claim (and not disburse any payments if the Mortgage Creditor has not filed a proof of claim), unless the Court orders otherwise;
- (2) promptly adjust the amount of the plan payment when the Regular Monthly Mortgage Payment increases, either on stipulation between the trustee and the debtor or pursuant to a Court order;
- (3) disburse only full payments to the Mortgage Creditor and immediately notify (by e-mail) the debtor, the debtor's attorney (if any), and the Mortgage Creditor when there are insufficient funds to make full and timely payment;
- (4) include a statement on the voucher of each payment the trustee sends to a Mortgage Creditor that specifies:
 - (A) the debtor's name, the case number, and the last four digits of the Mortgage Creditor's account number; and
 - (B) the amount allocable to the Conduit Mortgage Payment and the amount allocable to the Pre-

Petition Mortgage Arrearage;

- (5) file and serve upon all parties in interest, within 14 days of the debtor's first instance of plan payment default, a notice of delinquency (specifying the due date, number of missed payments, and the amount needed to cure the plan payment default); and
- (6) file and serve upon all parties in interest a motion to dismiss the case if (A) the debtor does not cure the plan payment default or file a motion to modify the plan within 30 days of the trustee's notice of delinquency, (B) the debtor defaults on plan payments again, or (C) the trustee determines other grounds warrant dismissal of the case.

(e) Duties of the Mortgage Creditor. In Conduit Mortgage Payment cases, the Mortgage Creditor must:

- (1) apply each Conduit Mortgage Payment disbursed by the trustee to the earliest outstanding post-petition payment due under the plan, as specified on the voucher narrative accompanying the payment;
- (2) forbear from assessing a late fee unless the tardiness of the payment was caused by the debtor's failure to make a full or timely plan payment to the trustee;
- (3) upon request, promptly provide an annual payment history to the trustee or debtor; and
- (4) upon request, promptly provide to the trustee or debtor copies of all documents it has sent, and sends, to the debtor post-petition, including correspondence, statements, payment coupons, escrow notices, default notices, and any other documents, which disclose changes in (A) the name or identity of the Mortgage Creditor, (B) the monthly payment amount, (C) the interest rate or escrow requirements, or (D) the address to which mortgage payments are to be sent.

(f) Jurisdiction. This Court retains jurisdiction over all orders entered pursuant to this Rule.

RULE 3015-7. CONFIRMATION HEARINGS IN CHAPTERS 12 AND 13.

- (a) Filings Considered.** The Court will not consider any document filed after 10:00 am on the last business day preceding the date of the confirmation hearing.
- (b) Requests to Postpone the Initial Confirmation Hearing.** A motion or stipulation to postpone an initial confirmation hearing, along with all necessary consents, must be filed at least seven days prior to the initial confirmation hearing date and served on all creditors. The initial confirmation hearing will proceed unless the Court enters an order granting the continuance and canceling the initial confirmation hearing.
- (c) Requests to Postpone a Continued Confirmation Hearing.** Any motion or stipulation to postpone a continued confirmation hearing, along with any necessary consents, must be filed by 10:00 am on the last business day preceding the continued confirmation hearing date, and set forth good cause for the continuance.

RULE 3015-8. MOTIONS TO MODIFY CONFIRMED CHAPTER 12 AND 13 PLANS.

- (a) Modification of a Confirmed Chapter 12 or 13 Plan.** A debtor, trustee, or holder of an allowed unsecured claim may file a motion to modify a confirmed plan any time before the completion of payments under the plan.

(b) Contents of a Motion to Modify Plan. A motion to modify plan must clearly set forth (1) the date of plan confirmation, (2) the specific provisions of the plan (identified by part or paragraph) being modified and how these provisions are being modified, (3) the differing treatment of the affected parties under the proposed modified plan, (4) the circumstances that created the need to modify the confirmed plan, (5) the facts that demonstrate the modified plan is feasible, and (6) the factors that demonstrate the proposed modified plan meets the remaining confirmation requirements of the Bankruptcy Code. Movants must file a clean and redlined copy of the proposed modified plan (Official Form 113) as well as a proposed order on the appropriate local form. See Local Forms F-12 and F-13.

RULE 3016-1. AMENDED DISCLOSURE STATEMENTS AND PLANS IN CHAPTER 11.

Whenever a party files an amended disclosure statement or plan, that party must file both a clean copy and a redlined version of the amended document, clearly designating all additions and deletions. See Local Rule 3015-8(c)(3).

RULE 3017-1. APPROVAL OF DISCLOSURE STATEMENT IN CHAPTER 11.

Abrogated.

RULE 3018-1. BALLOTS IN ALL CHAPTER 11 CASES.

On each blank ballot it issues to a creditor, the chapter 11 plan proponent must: (a) affix the corresponding master mailing list label or otherwise include the creditor's typewritten name and address identical to that specified on the master mailing list; or (b) include the creditor's typewritten name above a section for the creditor to provide their current mailing address. The plan must inform creditors of their obligation to send completed ballots to the plan proponent or its designee, and not to the Clerk.

RULE 3018-2. PRE-FILING SOLICITATION, ACCEPTANCE, AND REJECTION OF CHAPTER 11 PLAN IN ALL CHAPTER 11 CASES.

A summary of all plan acceptances and rejections solicited before the commencement of a case must be filed with the Clerk contemporaneously with the petition and accompanied by copies of all materials used in soliciting acceptances or rejections. On request of a party in interest or the United States Trustee, the Court will hold a hearing to determine if the solicitation process complied with § 1126(b).

RULE 3018-3. CERTIFICATION OF ACCEPTANCE AND REJECTION OF PLAN IN CHAPTER 11.

Not fewer than three business days before the confirmation hearing, a plan proponent must file a summary report of all voted ballots (hereinafter, "Summary Ballot Report and Certification"). Such Summary Ballot Report Certification shall be submitted with a form which substantially complies with Local Form G. The Court may rely on the Summary Ballot Report and Certification to determine if the plan has been accepted or rejected.

RULE 3020-1. CONFIRMATION OF CHAPTER 11 PLANS.

(a) Confirmation Requirements. The plan proponent has the burden of proof at the confirmation hearing. At least three business days before the confirmation hearing, the plan proponent must file: (1) a Summary Ballot Report and Certification; and (2) any other document the plan proponent asserts is necessary to achieve plan confirmation, including a proposed order and all other information necessary to satisfy the elements for confirmation under § 1129(a). If there is no objection to confirmation of the plan timely filed, the Court may enter an order confirming such plan without a hearing if the Court

determines, in its discretion, the plan and any supplemental information filed in support of confirmation is sufficient under § 1129(a).

- (b) **“Cram Down” under §§ 1129(b) or 1191.** A motion for a “cram down” under §§ 1129(b) or 1191 will be heard at the confirmation hearing provided a request for hearing is filed and served at least 14 days before the scheduled confirmation hearing. Service must be made on the attorney for all members of the non-accepting class (or the members of that class if they are not represented by counsel), the attorney for any committee (or the committee members if the committee is not represented by counsel), and the United States Trustee.
- (c) **Order Confirming a Chapter 11 Plan.** The proposed findings of fact and order confirming the plan must be in substantially the same form as Local Form H.

RULE 3022-1. FINAL REPORT AND DECREE IN CHAPTER 11.

(a) **Report of Substantial Consummation.** The plan proponent, or the disbursing agent defined in the plan, must file a report of substantial consummation showing the plan proponent has satisfied the criteria of § 1101(2).

- (1) The plan proponent must file a motion for final decree with the report of substantial consummation and serve that motion on all creditors and parties in interest.
- (2) Unless the Court orders otherwise, the motion for final decree shall include a request that the Court terminate jurisdiction over the case and direct the Clerk’s Office to close the case.

(b) **Time for Filing Report of Substantial Consummation.** The Court may require the plan proponent to file the report of substantial consummation as soon as all payments/distributions issued for the first distribution under the plan have cleared, in non-individual chapter 11 cases. In all cases, the plan proponent must file the report of substantial consummation within 180 days after entry of a final order confirming a plan unless, within the original 180-day period and for good cause shown, the Court enlarges the time.

(c) **Reporting Post-Confirmation Disbursements.**

- (1) The plan proponent or the disbursing agent defined in the plan must file with the Clerk, and serve on the United States Trustee, post-confirmation operating reports as required by United States Trustee Guidelines, showing all disbursements for each month after confirmation of the plan.
- (2) The operating reports are due on the 20th day of the month after the month reported. The duty to file the monthly operating reports will cease upon the filing of an affidavit of substantial consummation, unless the Court orders otherwise.

(d) **Final Report.** The final report must be in the form of an affidavit and must include, but is not limited to, the following information:

Total Plan Payments		

RULE 3070-1. PLAN PAYMENTS IN CHAPTER 13.

(a) Payments to the Chapter 13 Trustee.

- (1) Chapter 13 debtors are required to: (A) make plan payments through direct wage deductions, TFS bill pay (TFS), or a similar payment method that results in an electronic credit to the chapter 13 trustee’s account, unless the debtor obtains a Court order waiving the requirement for cause based on exigent circumstances; and (B) specify the form of payment in Part 2.2 of the plan and Local Form 8.
- (2) Unless the Court waives the above requirement, a debtor must obtain an order implementing direct wage deductions, TFS, or similar payment method to be eligible for plan confirmation.
- (3) Until a payment order is in effect, the debtor must make all plan payments in the form of a cashier’s check, certified check, bank draft, or money order payable to the “Chapter 13 Trustee,” and deliver the payments directly to the chapter 13 trustee at the address that the trustee designates.
- (4) The face of the payment instrument, as well as any electronic payment, must include the debtor’s name and bankruptcy case number.

(b) Minimum Plan Payment Amount. Every chapter 13 plan must require the debtor to make a payment of at least \$50 each month the case is pending unless the Court waives this requirement.

(c) Payment of Trustee Commission on Dismissal or Conversion. When a chapter 13 case is dismissed or converted to another chapter prior to confirmation of the debtor’s plan, the chapter 13 trustee shall collect as compensation the percentage fee pursuant to 28 U.S.C. § 586(e) from any plan payments the debtor has made.

RULE 3071-1. SECURED CREDITORS’ AND LESSORS’ OBLIGATION TO PROVIDE ACCOUNT INFORMATION AND STATEMENTS TO DEBTORS POST-PETITION.

(a) Communication. It shall not be a violation of the automatic stay for secured creditors to communicate with debtors to provide information and/or documents as required by these Rules or in response to communications from debtors. Creditors and debtors are encouraged to send copies of all written and electronic communications to their respective counsel of record.

(b) Applicability of Rule.

- (1) This Rule applies: (A) in cases filed under chapters 7, 11, 12, and 13; (B) to consumer loan

relationships; and (C) as long as the debtor is protected by the automatic stay.

- (2) This Rule does not apply: (A) to debts secured by non-consensual liens (e.g., tax liens, judgment liens, restitution liens); (B) when the collateral is vacant land or has been abandoned; or (C) when a mortgage was granted in conjunction with a commercial or business loan, notwithstanding whether the lien is on residential real property.

(c) Monthly Statements for Debts Secured by a Mortgage on Real Property. Secured creditors whose claims are secured by a mortgage on real property must provide monthly statements to each chapter 11, 12, or 13 debtor whose plan indicates an intent to retain the creditor's collateral or whose statement of intent indicates an intent to pay the creditor. The creditor must also provide monthly statements to each chapter 7 debtor who has expressed an intent in their statement of intent (served on the creditor) to retain the creditor's collateral. The monthly statements must contain at least the following information concerning the post-petition mortgage payments the debtor will make directly to the creditor:

- (1) the date of the statement and the date the next payment is due;
- (2) the amount of the current monthly payment and the amount of the next payment due;
- (3) the amount of the payment attributable to escrow (if any);
- (4) the amount due for any post-petition arrears and from what date;
- (5) the amount of any outstanding post-petition charges;
- (6) any other amount(s) due (e.g., for payment of taxes, insurance, attorney's fees, and/or other expenses), together with an explanation of the "other amount due" and, if the mortgage creditor has already made a payment that is the basis for this "other amount due," the date of such payment;
- (7) the amount, date of receipt, and application of all payments received since the date of the last statement;
- (8) the name and telephone number and other contact information the debtor or the debtor's attorney may use to obtain reasonably prompt information regarding the secured loan and recent transactions; and
- (9) the address to which the next payment is to be sent and, if the address has changed since the last statement, a conspicuous statement notifying the debtor of the new address.

(d) Additional Monthly Statement Information Required upon Request. Upon reasonable written request of the debtor or case trustee, secured creditors whose claims are secured by a mortgage on real property must provide the following additional information:

- (1) the principal balance of the secured loan;
- (2) the original maturity date;
- (3) the current interest rate;
- (4) the current escrow balance (if any);
- (5) the interest paid year-to-date; and
- (6) the property taxes paid year-to-date (if any).

- (e) **Monthly Statements for Other Secured Debts and Assumed Leases.** Secured creditors other than those whose claims are secured by a mortgage on real property, as well as lessors of assumed leases, must provide monthly statements or other forms of invoicing (e.g., a coupon book) to each chapter 11, 12, and 13 debtor who has expressed an intent in their plan to retain the creditor's collateral or assume the lease, and who has expressed an intent to pay the creditor directly. The creditor must provide monthly statements or other forms of invoicing (e.g., a coupon book) to each chapter 7 debtor who has expressed an intent, in their statement of intent (served on the creditor), to retain the creditor's collateral or assume the lease. The monthly statements or other forms of invoicing must contain the same, or substantially similar, information as that provided pre-petition.
- (f) **Forms of Communication Generally.** A creditor will have complied with this Rule if it has transmitted the requisite monthly statements, other forms of invoicing, or additional requested information to the debtor in the manner normally used by the creditor.
- (g) **Waiver of Strict Compliance.** If a creditor uses a billing system that provides monthly statements or other forms of invoicing that substantially comply with this Rule but do not fully conform to all its requirements, the creditor may request that the debtor accept such monthly statements or other forms of invoicing. If the debtor declines to accept non-conforming monthly statements or invoices, the creditor may file a motion, on notice to the debtor and the debtor's attorney (if any), requesting permission to issue non-conforming monthly statements or invoices, for either a limited or unlimited time, in full satisfaction of the creditor's obligation under this Rule. The creditor will only be eligible for a waiver if the proposed monthly statements or invoices substantially comply with this Rule and the creditor demonstrates it would be an undue hardship to strictly comply with this Rule.
- (h) **Motion to Compel Compliance.** A debtor may file a motion to compel a creditor's compliance with this Rule if the debtor has evidence that a creditor has not complied with this Rule for at least 30 days. However, the debtor must first make a good faith effort to contact the creditor to determine the cause for non-compliance, including inquiring about the status of the creditor's efforts to provide statements in compliance with this Rule, before filing a motion to compel compliance. The debtor's motion to compel must include a description of (1) the debtor's pre-motion good faith effort(s), (2) any response by the creditor, and (3) any harm the debtor has suffered as a result of the creditor's non-compliance.

PART IV– THE DEBTOR'S DUTIES AND BENEFITS

RULE 4001-1. AUTOMATIC STAY – RELIEF FROM AUTOMATIC STAY.

- (a) **Debtor's Motion Through a Chapter 13 Plan.** A debtor may request the stay be lifted in favor of a secured creditor as an Embedded Motion in Part 3.5 of Official Form 113. The debtor must serve that motion according to the Bankruptcy Rules, and separately file a proposed order for that relief.
- (b) **Contents of a Creditor's Motion for Relief from Stay, Generally.** A creditor's motion for relief from stay must include the following information to the extent applicable:
- (1) a description of the property (e.g., the VIN, make, and model of a vehicle, the serial number for a mobile home or equipment, the name and docket number of a pending court action, the street address of real property, the volume/page number where title to and liens against real property are recorded);
 - (2) the names and purported interests of all parties known, or discovered after reasonable investigation, who claim to have an interest in the property;
 - (3) the amount of the outstanding indebtedness on each lien, the fair market value of the property, and the basis for the valuation;

- (4) legible and complete copies of all relevant liens and security agreements or, if voluminous, the initial page and signature pages of those documents;
- (5) evidence of perfection of the movant's lien or interest; and
- (6) copies of any prior orders of the Court upon which the motion relies.

(c) Additional Requirements Based on Post-Petition Payment Default.

- (1) Requirement of Pre-Motion Default Notification. If a secured creditor alleges the debtor has defaulted on any post-petition payment obligation, the secured creditor must (A) send the debtor and the debtor's attorney (if any) a notice of default setting forth with specificity the dates and amounts of missed post-petition payments, and (B) refrain from filing a motion for relief from stay until at least seven days has passed since sending that notice.
- (2) Motions. When a secured creditor moves for relief from stay based on allegations of a post-petition payment default, in addition to including the information itemized in paragraph (b) above, the secured creditor's motion must include the following:
 - (A) in all cases, (i) a statement that the motion is based upon the debtor's default, and (ii) an affidavit specifically identifying by date and amount, the payment(s) alleged to be in default, or a printout of payments made on the trustee's website, if applicable;
 - (B) in a chapter 7 case, a statement that the secured creditor has responded promptly and thoroughly to the case trustee or debtor's reasonable request for account information; and
 - (C) in a chapter 13 case, a statement that the secured creditor has provided the debtor with the required account information and monthly statements in a timely fashion. See Local Rule 3071-1(e).
- (3) Objections. A debtor objecting to the secured creditor's motion must:
 - (A) state with specificity those allegations of the secured creditor that the debtor disputes;
 - (B) state the debtor's legal and factual basis for asserting the secured creditor is not entitled to relief from stay; and
 - (C) append to the objection an affidavit of the debtor that states (i) the amount of each payment the debtor made, (ii) the date of each payment, (iii) the form of each payment, (iv) the means by which each payment was transmitted, and (v) the address to which the debtor sent each payment. The debtor's affidavit must also include copies of records showing proof of payment(s) on the obligation or include an explanation as to why those records are not included and when they will be filed. The debtor's failure to meet these requirements may result in the Court treating the motion as unopposed.
- (4) Secured Creditor's Additional Obligations When a Chapter 13 Debtor Objects. When a chapter 13 debtor contests the payment default or alleges the secured creditor misapplied their payment(s), and complies with the procedure in subparagraph (3) above, the secured creditor must transmit to the debtor's counsel (or to a *pro se* debtor directly) the debtor's payment history and a detailed accounting of how the secured creditor applied the debtor's payment(s) to the outstanding obligation, within three business days after the debtor files their objection. The secured creditor must transmit this information in a manner that ensures the debtor will have a reasonable opportunity to review the information before the hearing on the relief from stay motion. If the

secured creditor has not provided debtor's counsel (or *pro se* debtor) with the required account information in a timely and complete fashion, the Court may deny the relief from stay motion, deny the secured creditor's request for recovery of its attorney's fees and/or costs in connection with the motion, or grant such other relief it deems appropriate. The Court may also order the secured creditor to pay the debtor's reasonable attorney's fees (if any), for responding to the motion.

(d) Service of Motion. A creditor seeking relief from stay must file a motion with a certificate of service showing service of the motion on the debtor, the debtor's attorney (if any), the case trustee (if any), any parties affected by the motion or having an interest in the property that is the subject of the motion, all parties in interest who have requested notice, and the United States Trustee. See Local Rule 9013-6; see also Local Rule 9013-1(h).

(e) Stipulation for Relief from Stay.

- (1) A stipulation for relief from stay must (A) describe the property or interest involved, (B) state the property's fair market value, (C) state the basis for the valuation, and (D) list all encumbrances against the property with the name of each lien holder and the amount of each lien. A stipulation for relief from stay must also include the statements, but need not include the supporting documents, required by paragraph (b) above. No affidavit is required if there are no facts in dispute.
- (2) Notice required under Local Rule 9013-2(c) is waived for a stipulated motion for relief from stay provided (A) all parties entitled to notice have been served with the motion, and (B) all parties in interest have filed their consent. See Local Rule 9011-4(d). Additionally, notice of a stipulation need not be served if the motion for relief from stay was previously noticed for hearing and no party objected or the Court overruled any objection that was filed.

(f) Final Hearing. The Court will hold a hearing on a motion for relief from stay within 30 days of its filing except in those instances where a stipulation is filed pursuant to paragraph (e) above, or the motion is filed under the default procedure. See Local Rule 9013-4(b)(3). If a movant schedules a hearing on a motion for relief from stay for a date that is more than 30 days after the date the motion was filed, the movant must include an affirmative waiver of the termination of the stay after 30 days that is imposed per § 362(e). With such waiver, the stay will continue pending through the conclusion of a final hearing and determination on the motion under § 362(d). Likewise, if the parties agree to postpone the hearing, an equal extension of time will be deemed added to that 30-day period.

(g) Evidentiary Hearing. The final hearing on a motion for relief from stay will be an evidentiary hearing unless the parties agree otherwise. Parties planning to present evidence must contact the courtroom deputy to ensure there is sufficient time for the presentation of evidence and must file and serve a Bankruptcy Rule 9014(e) notice of evidentiary hearing at least seven days prior to the hearing unless the Court approves a shorter time. See Local Rule 9014-1(b)(2); see also Local Form V.

(h) Order Granting Relief from Stay.

- (1) Required Language in Orders Authorizing Sale of Collateral. If the order granting relief from stay authorizes the sale of collateral, the order must state that if there are surplus monies from the sale, the secured creditor must deliver those funds to the case trustee and serve the case trustee with an accounting of the sale, promptly after the sale is completed. The order must also clearly identify the collateral that is the subject of the relief from stay order and, if the collateral is real property, the description must be sufficiently detailed for filing in the land records.
- (2) Required Language Regarding Subordinate Lien Holders. Where other parties have subordinate liens on the subject property, the proposed order granting relief from stay shall include the

following language, with identification of the subordinate lien holders:

This order also grants relief from the stay to any holder of a subordinate lien against the same property, allowing such lien holder to pursue its rights, to bid at a sale, to redeem, and/or to enforce its lien in connection with any action taken by the movant against the subject property pursuant to this order. However, this Court makes no determination as to the validity, priority, or amount of the subordinate liens.

- (3) Separate Order Required. Whenever relief from stay is sought, the movant must file a separate proposed order granting that relief, except as otherwise set forth in these Rules. See Local Rule 9013-1(f). Relief from stay (whether absolute or conditional) is not available through an ordering paragraph in a plan confirmation order or any order which grants other relief.
- (i) **Conditional Relief from Stay.** If an order granting conditional relief from stay, or a stipulation for conditional relief from stay, does not state how much time a debtor has to rebut the factual assertions in an affidavit of default filed in furtherance of the order, then the debtor will have seven days to rebut an affidavit of default. If the order (or stipulation) provides for a different time period, then the order (or stipulation) will control.

RULE 4001-2. AUTOMATIC STAY – DEBTOR’S ASSERTION OF EXCEPTION FOR LEASE OF RESIDENTIAL PROPERTY UNDER § 362(L).

(a) Filing of the Initial Certification, Official Form 101A, and Delivery of Payment of One Month’s Rent.

- (1) If a state court judgment of eviction has been entered against a debtor pre-petition, the debtor resides in that property as of the petition date, and the debtor wishes to remain in that leased property post-petition, the debtor must include with their bankruptcy petition:
- (A) an Official Form 101A (“Initial Statement About an Eviction Judgment Against You”) with the “Certification About Applicable Law and Deposit of Rent” section of the form completed;
 - (B) a copy of the pre-petition judgment of eviction;
 - (C) a copy of the lease or rental agreement, or an affidavit from the debtor specifying the monthly rent amount; and
 - (D) a sum equal to the monthly rent due under the applicable rental agreement, payable to the debtor’s lessor (i.e., the landlord), in the form of a bank check, attorney trust account check, or money order.
- (2) When a debtor’s case is filed electronically, the rent payment must be delivered to the Clerk by hand delivery, first-class mail, or private courier service within three business days after filing the petition. If the Clerk receives the rent payment within that three-day period, the Clerk will treat the rent payment as if received with the petition (provided Official Form 101A and a copy of the judgment of eviction were filed with the petition).
- (3) If a debtor timely delivers the rent payment to the Clerk, but the filing is deficient due to the debtor’s
- (A) failure to file a copy of the judgment of eviction,
 - (B) failure to file Official Form 101A,

(C) delivery of a rent payment that is less than the amount due, or

(D) delivery of a rent payment that is not valid tender (e.g., a check that is unsigned or not payable to the lessor), then the Clerk will note the deficiency on the docket and immediately return the rent payment to the debtor with a deficiency notice informing the debtor that the Clerk will not accept or process the rent payment unless the debtor cures the filing deficiency, by filing the required documents and/or delivering the proper payment, within seven days of the petition date.

(b) Clerk's Notification. If the debtor delivers to the Clerk Official Form 101A together with the required copy of the judgment of eviction and the proper rent payment, the Clerk will

(1) issue a notice to the lessor;

(2) set a deadline of seven days after service of notice to the lessor within which time the lessor may either (A) consent to the inapplicability of the stay exception under § 362(b)(22), or (B) object to the accuracy of one of the debtor's statements in Official Form 101A or the sufficiency of the debtor's payment, and request the entry of an order stating that the § 362(b)(22) exception does apply; and

(3) notify the lessor that if the lessor files its consent, the Clerk will promptly transmit the rent payment to the lessor, and if the lessor objects, the Clerk will promptly set a hearing.

(c) Lessor's Consent, Objection, or Non-Response to Official Form 101A.

(1) Consent. If a lessor files its consent to a debtor's certification in Official Form 101A, the consent must include a verification of the amount due for the one-month rental period and specify the address to which the lessor requests the Clerk send the rent payment. Upon receipt of the lessor's consent, the Clerk will transmit the rent payment to the lessor at the address the lessor provided.

(2) Objection. If the lessor objects to any statement in the debtor's certification (Official Form 101A), the Clerk will set a hearing on the objection, to be held as soon as possible and no later than 10 days after the lessor filed the objection. The lessor's objection must identify which statement(s) in the debtor's certification the lessor disputes and whether the lessor objects to the sufficiency of the debtor's payment. If the Court overrules the lessor's objection(s), upon entry of the Court's order r finding the debtor is entitled to the stay, the Clerk will transmit the rent payment to the lessor.

(3) Non-Response. If the lessor fails to file either a consent or an objection within the seven-day period set by the Court, unless the Court finds otherwise, the lessor will be treated as if it waived the opportunity to object. Promptly thereafter, the Clerk will transmit the rent payment to the lessor.

(d) Filing the Second Certification, Official Form 101B.

(1) Within 30 days of filing the petition, the debtor must file with the Clerk, and serve on the lessor, Official Form 101B ("Statement About Payment of an Eviction Judgment Against You") indicating the debtor has cured, under applicable non-bankruptcy law, the entire monetary default that was the basis of the issuance of the judgment of eviction. The debtor must file Official Form 101B regardless of whether the lessor objected to Official Form 101A.

(2) However, if the lessor is a public housing entity, the debtor does not need to file Official Form 101B or pay the pre-petition arrears that were the basis for the eviction judgment.

- (e) **Lessor's Objection to Official Form 101B.** If the lessor files an objection to any of the debtor's statements in Official Form 101B, the Clerk will set a hearing on the objection, to be held as soon as possible and no later than 10 days after the lessor filed the objection. The lessor's objection must identify which statement(s) in the debtor's certification the lessor disputes.
- (f) **Debtor's Failure to Timely Deliver Payment of One Month's Rent or Timely File Official Form 101A or 101B.** If a debtor fails to timely deliver the proper rent payment, or to timely file all required documents, as specified in paragraph (a) above, or fails to timely file Official Form 101B as specified in paragraph (d) above, then the Clerk will note the filing deficiency on the docket. Thereafter, the Clerk will promptly serve upon the debtor and the lessor a certified copy of the docket entry indicating the debtor failed to comply with the applicable statute, and declaring the exception to the automatic stay specified in § 362(b)(22) applies.

RULE 4001-3. AUTOMATIC STAY – CONTINUATION; IMPOSITION; VERIFICATION.

- (a) **Motion for Continuation of Automatic Stay.** A party in interest seeking to continue the automatic stay under § 362(c)(3) must file a motion for that relief using Local Form A-1 within 14 days of the filing of the petition and contact the courtroom deputy to schedule an evidentiary hearing with seven days' notice. See Local Rule 9014-1(b)(2). The movant must serve the motion and notice of hearing on the debtor, the debtor's attorney (if any), the case trustee, the United States Trustee, and all creditors. Any other party in interest who wishes to join or oppose the motion must file a notice of evidentiary hearing using Local Form V no later than three business days before the hearing.
- (b) **Motion for Imposition of Automatic Stay.** A party in interest seeking to impose the automatic stay under § 362(c)(4) must file a motion for that relief using Local Form A-2 as soon as possible after the filing of the petition and contact the courtroom deputy to schedule an evidentiary hearing with seven days' notice. See Local Rule 9014-1(b)(2). The movant must serve the motion and notice of hearing on the debtor, the debtor's attorney (if any), the case trustee, the United States Trustee, and all creditors.) Any other party in interest who wishes to join or oppose the motion must file a notice of evidentiary hearing using Local Form V no later than three business days before the hearing.
- (c) **Motion for Verification that Automatic Stay Is Not in Effect.** A party in interest may file a motion and obtain an order under § 362(c)(4), verifying the automatic stay is not in effect. The movant must serve that motion on the debtor, the debtor's attorney (if any), the case trustee, the United States Trustee, and all creditors, and may notice that motion under the default procedure. See Local Rule 9013-4(b)(5).

RULE 4001-4. CASH COLLATERAL.

- (a) **Motion for Use of Cash Collateral.** In addition to complying with Bankruptcy Rule 4001(b), a motion for use of cash collateral must:
- (1) identify the amount and source of cash collateral to be used along with a narrative and budget explaining the intended use of such funds;
 - (2) summarize all appraisals and projections used to compute the amount of adequate protection; and
 - (3) specifically highlight in bold typeface and provide justification for any of the following types of provisions contained in an agreement or proposed order authorizing the use of cash collateral:
 - (A) Any acknowledgement of the validity, amount, perfection, priority, extent or enforceability of the secured claim, if the agreement or order purports to bind any party other than the debtor, unless the agreement or order affords an objection period of not less than 60 days after the earlier of (i) the court's approval of the retention of counsel to any creditor's committee, or

- (ii) an order authorizing the appointment of a trustee, during which period any committee or trustee may challenge the secured claim on any basis;
- (B) Any release of claims or waiver of defenses by the debtor, any estate representative, or third party;
- (C) Any cross-collateralization, conversion of pre-petition debt to post-petition debt, or granting of a post-petition lien to secure a claim for pre-petition claims;
- (D) Any provision that results in the priming of a perfected pre-petition secured debt without the consent of the affected creditor;
- (E) Any grant of a security interest in avoidance actions or their proceeds;
- (F) Any provision granting a creditor relief from the automatic stay without further order or hearing upon the breach such agreement;
- (G) Any provision that immediately waives the debtor's or a trustee's right to surcharge collateral under Code section 506(c);
- (H) Any provision that limits the Court's power to consider the equities of the case doctrine under Code section 552(b) or otherwise limits the Court's discretion to enter future orders in the case.

(b) Interim Hearing on Use of Cash Collateral. Any motion for interim use of cash collateral must not seek any of the relief described in subsection (a)(3) prior to a final hearing and must set forth facts demonstrating the debtor is at risk of immediate and irreparable harm, and (2) a detailed itemization of the amount of cash the debtor requests and how the debtor proposes to use it during the interim period. The debtor must serve all secured creditors who have an interest in the collateral with notice of the interim hearing in the manner the Court directs. See also Local Rule 9075-1 (providing instructions for handling emergency matters).

(c) Final Hearing on Use of Cash Collateral. In addition to the noticing requirements under the Code and the Bankruptcy Rules, the debtor must serve notice of the final hearing on all parties on the master mailing list and any other party who claims an interest in the cash collateral.

RULE 4001-5. OBTAINING CREDIT.

(a) Generally. A debtor seeking to obtain credit must follow the procedure set forth in Local Rule 4001-4 except as set forth below.

(b) Chapter 12 or 13 Trustee Approval Process.

- (1) Once their plan is confirmed, a chapter 12 or 13 debtor may obtain credit with trustee approval if the debtor seeks to:
 - (A) borrow no more than \$18,000 to purchase, or spend no more than \$300 per month to lease, a motor vehicle;
 - (B) borrow or spend no more than \$7,000 for an extraordinary expense that is (i) reasonable and (ii) necessary to maintain the health and general welfare of the debtor and/or the debtor's dependents; or

- (C) borrow no more than \$20,000 to purchase farm equipment in a chapter 12 case.
- (2) The debtor shall seek trustee approval using the trustee's loan approval request form (see Local Form Y-3) signed by the debtor and the debtor's attorney (if any). If a chapter 12 debtor seeks trustee approval under this Rule to purchase farm equipment, the loan approval request form must also be signed by all secured creditors whose interests will be affected by the borrowing.
- (3) If the trustee determines the request will not require a material modification of the debtor's budget and is in the best interest of the debtor and the bankruptcy estate, the debtor may obtain the credit upon the trustee's filing of an approved request form that comports with the signature requirements set forth in subparagraph (b)(2) above.
- (4) The debtor is not required to serve notice of the request on any other parties or obtain an order of the Court if using this process and seeking to borrow or spend no more than authorized under this Rule.

(c) Court Approval Process.

- (1) Once their plan is confirmed, a chapter 12 or 13 debtor may obtain credit with Court approval if the debtor seeks to:
 - (A) borrow more than \$18,000 to purchase, or spend more than \$300 per month to lease, a motor vehicle;
 - (B) borrow or spend more than \$7,000 for an extraordinary expense that is (i) reasonable and (ii) necessary to maintain the health and general welfare of the debtor and/or the debtor's dependents;
 - (C) borrow more than \$20,000 to purchase farm equipment in a chapter 12 case; or
 - (D) any circumstance described in subparagraph (b)(1) above, including when the debtor previously sought trustee approval and the trustee denied the debtor's request.
- (2) The debtor shall seek Court approval by filing a motion that sets forth the amount requested and the nature of the expenditure, and a budget showing the debtor can afford the monthly payments on the loan, as well as:
 - (A) for a motion to borrow or spend funds for a motor vehicle:
 - (i) a description of the motor vehicle, including the make, model, year, and VIN;
 - (ii) the motor vehicle's purchase/lease price and the name of the seller/lessor;
 - (iii) the proposed lender of the funds and the financing terms; and
 - (iv) a description of how the debtor proposes to make any down payment on the purchase/lease of the motor vehicle;
 - (B) for a motion to borrow or spend funds for an extraordinary expense, an explanation of why the debtor believes the expenditure is both reasonable and necessary for the health and general welfare of the debtor and/or the debtor's dependents; and
 - (C) for a motion where the debtor previously sought trustee approval but the trustee denied the

debtor's request, a copy of the trustee's denial.

- (3) The debtor shall serve notice of the motion on the trustee and all creditors.

RULE 4001-7. LOSS MITIGATION MEDIATION PROGRAM.

(a) Availability of Mediation in Bankruptcy Cases.

- (1) At any time prior to discharge, an individual debtor or a creditor holding a claim secured by real property owned by an individual debtor, may file a motion for loss mitigation mediation ("motion for mediation"). See Local Form MM # 1. A motion for mediation may be filed for any mortgage on the debtor's primary residence provided mediation would be available in a case pending in state court.
- (2) The motion for mediation must be served on all creditors who could claim an interest in the property, the case trustee, the Vermont Attorney General (AGO.MediationReport@vermont.gov) and the mediator, if known.
- (3) Any objection to the motion for mediation must state either why mediation is not likely to be useful to the parties or of benefit to the estate, or why it would not be available in state court.

(b) Mediation Guidelines.

- (1) Mediators shall have broad discretion and shall be responsible for directing and completing the process expeditiously.
- (2) The parties shall cooperate in good faith, under the direction of the mediator, and produce all documents and information required in a timely manner.
- (3) The parties must consider all available foreclosure prevention tools and loss mitigation options, including but not limited to reinstatement, loan modification, forbearance, short sale, and surrender.
- (4) If the creditor claims a pooling and servicing or other similar agreement does not authorize loan modification, the creditor must provide the debtor and mediator with a copy of that agreement. All such agreements are confidential and shall not be filed in the case.
- (5) The following persons must participate in any mediation conducted under this Rule:
 - (A) the debtor and the attorney for the debtor (if any);
 - (B) the attorney for the creditor (if any); and
 - (C) the creditor, or a person designated by the creditor or its servicer who has real-time access during the mediation to the creditor's account information and to the records relating to consideration of the options available.

(1) General Requirement. A debtor who is an individual must file with the petition a certificate from an approved nonprofit budget and credit counseling agency evidencing the debtor's completion of the mandatory credit counseling course and compliance with the requirements of § 109(h)(1). See also 11 U.S.C. § 111.

(2) Temporary Waiver. To obtain a temporary waiver of § 109(h)(1), the debtor must attach a separate sheet to the petition explaining (a) the efforts the debtor made to timely obtain briefing about credit counseling, (b) why the debtor was unable to obtain the certificate before filing for bankruptcy, and (c) the exigent circumstances that forced the debtor to file for bankruptcy without the credit counseling certificate. - (b) **Personally Identifiable Information.**
- (1) Requirement to Redact. In compliance with the policy of the Judicial Conference of the United States and the E-Government Act of 2002, parties must refrain from including, or must partially redact where inclusion is necessary, the following personal identifiers from all evidence presented at hearings and from all documents filed with the Clerk, including exhibits, whether filed electronically or non-electronically, unless otherwise ordered by the Court:
 - (A) Names of Minor Children. If the existence of a minor child is required to be disclosed in a court filing or at a court hearing, the child must be identified only by their initials.
 - (B) Dates of Birth. If an individual’s date of birth is required to be disclosed in a court filing, only the year of birth should be disclosed.
 - (C) Social Security Numbers. If an individual’s social security number is required to be included in a court filing, only the last four digits of that number should be used. The only exception is Official Form 121, which the debtor must submit rather than file. See Local Rule 5001-3(b).

- (D) Taxpayer Identification Numbers. The taxpayer identification number of any non-debtor identified in a debtor's filings must be redacted to reflect only the last four digits.
 - (E) Financial Account Numbers. If financial account numbers are required to be disclosed in a court filing or at a court hearing, only the last four digits of each account number should be disclosed, unless the Court orders otherwise.
- (2) Filer Responsible for Redacting. In all instances, the responsibility for redacting personally identifiable information rests with the party who files the document or introduces the testimony that includes that information.
- (A) The Clerk will not review each document filed to verify redaction of personally identifiable information. However, to the extent the Clerk observes that a filed document contains personally identifiable information, the Clerk will restrict access to that document.
 - (B) When the Clerk restricts access to a document due to the inclusion of personally identifiable information, the Court will issue an order directing the party who filed the document to
 - (i) file a motion to redact, accompanied by a \$25 fee, and a copy of the document in redacted form by a date certain, and
 - (ii) appear at a hearing to show cause why sanctions should not be imposed for the party's inclusion of personally identifiable information in the document (the "Redaction Order"). Potential sanctions include monetary penalties and the striking of the document from the Court record.
 - (C) If an individual or entity asserts harm based upon the publication of personally identifiable information in a bankruptcy case or proceeding, or by a party's failure to redact a document in response to a Clerk's notice, the complaining party may bring a motion for sanctions in the case or proceeding.
 - (D) If the document with personal identifier information may be filed by one of multiple parties (e.g., a proof of claim may be filed by the creditor, debtor, or trustee), any one of those parties may file a motion for redaction in response to the Redaction Order. If the movant is not the party who filed the document, the movant may ask the Court to waive the fee as authorized by the Miscellaneous Fee Schedule. See generally 28 U.S.C. 1930.
- (3) Request for Redacted Information. If a party determines they need redacted information, the party may contact the debtor's attorney (or pro se debtor) to request it. If the debtor or debtor's attorney does not grant the request, the party may then file a motion requesting the Court compel the debtor to provide the requested information to the party. The motion must set forth why the party needs the redacted information, whether it is available to them from other sources, and what efforts they made to obtain it from the debtor and when.

RULE 5003-1. CLERK – DUTY TO MAINTAIN RECORDS.

- (a) General Duty to Maintain All Records.** The Clerk will maintain all official records of the Court. If a party presents a document for filing either in paper format or via e-mail, the Clerk will scan it into the electronic records, maintain it in electronic form, and dispose of the paper or e-mail version.
- (b) Official Form 121, Statement About Your Social Security Numbers.** The Clerk retains every Official Form 121 that parties submit for a minimum of five years. The Official Form 121 is not to be filed, and therefore will not become part of any bankruptcy case record. See also Local Rule 9011-2(b).

RULE 5003-2. CLAIMS REGISTER.

RULE 5003-3. DEPOSIT AND INVESTMENT OF REGISTRY FUNDS.

RULE 5005-1. FILING DOCUMENTS – FORMAT REQUIREMENTS.

Documents and attachments filed in this Court, whether filed electronically or non-electronically, should comply with the following presentation criteria.

- (a) **Size and Format.** The District of Vermont Local Rule 10(a) applies to the format of filings and attachments. All electronically filed documents must be filed in portable document format (PDF).
- (b) **Identification of Attorney and Party Being Represented.** The attorney's name, current office address, e-mail address, telephone number, and the name of the party the attorney is representing, must appear below the signature line of all filings. Where the Official Form asks for the attorney's bar number, the attorney should use their state bar number.
- (c) **Identification of Filings.** All filings must contain:
- (1) the caption of the case, including the debtor's full name as stated on the petition and the chapter under which the case is currently pending;
 - (2) the case number, except for documents filed with or before the petition, when no case number has yet been assigned;
 - (3) a title describing the filing's contents and/or the relief sought;
 - (4) the name of the party on whose behalf it is filed;
 - (5) original or electronic signatures; and
 - (6) the title, role, or function in the case of all persons named in the filed document.
- (d) **Affidavits.** Affidavits must be filed in support of any motion or other document seeking a factual determination by the Court and must identify the filing to which it relates by indicating that document's title and date of filing.
- (e) **Documents in Removed Actions and Records Transmitted from Another Court.** This Rule does not apply to documents filed in actions removed to this Court or to records another court has transmitted to this Court.
- (f) **Parties Must File Official Forms Without Deletion or Modification.** Parties may not delete or modify the text of an Official Form to reduce the scope of information provided without prior Court approval.

RULE 5005-2. FILING DOCUMENTS – GENERALLY.

Abrogated.

RULE 5005-3. FILING DOCUMENTS VIA CM/ECF – REGISTRATION REQUIREMENTS.

Abrogated.

RULE 5005-4. FILING DOCUMENTS VIA OTHER ELECTRONIC MEANS.

(a) E-Mail Transmission of Documents for Filing.

- (1) The Clerk accepts documents from non-attorneys by e-mail for filing. The appropriate e-mail address to use for e-mail filings is efiling@vtb.uscourts.gov. See also Local Rule 1002-1(b); Local Rule 9011-4(d).
- (2) If a pro se debtor files a petition, schedule, or statement by e-mail, the debtor must affix the required signature as specified in Local Rule 9011-4(c).
- (3) Documents e-mailed to the Clerk for filing must be in the form of PDF attachments to the transmittal e-mail. Parties who transmit documents for filing via e-mail are required to simultaneously serve all parties in interest via e-mail and immediately thereafter e-mail a certificate of service (as a PDF attachment) to the Clerk. Exhibits to pleadings, motions, and other documents that are transmitted for filing via e-mail must be clearly marked as exhibits. If documents are e-mailed, the original of those documents should not be transmitted to the Clerk by any other means.
- (4) Pro se parties who transmit documents for filing via e-mail must call the Clerk's Office, either immediately before or immediately after the e-mail transmission, to notify the Clerk's Office of the e-mail filing.
- (5) Court fees that are due at the time of e-mail filing must be paid as set forth below.

(b) Service of Documents on the United States Trustee. The United States Trustee receives electronic notice of all electronically filed documents. The only documents which must be served on the United States by first-class mail or hand delivery are monthly operating reports. See Local Rule 4002-1(e) (directing that paper copies with original signatures be served on the United States Trustee). The United States Trustee will not accept service of any documents by fax or e-mail except as set forth in these Rules. See Local Rule 9018-1 (requiring motions to restrict access to Court records be served on the United States Trustee via e-mail).

(c) Form of Payment. Any fees due in connection with electronically filed documents must be paid through www.pay.gov or, if www.pay.gov is not available, then by credit card.

RULE 5007-1. RECORD OF PROCEEDINGS AND TRANSCRIPTS; ENSURING PRIVACY IN TRANSCRIPTS.

(a) Recording of Proceedings and Hearings. Except as provided in paragraph (b) of this Rule, all trials and court proceedings, other than emergency hearings, will be recorded by an electronic recording system.

(b) Audio Record of Court Hearings and Applications to Restrict Access.

- (1) Digital audio recordings are available on PACER for all hearings and trials conducted since November 1, 2011. The recording of each hearing appears on the docket as a PDF document with an embedded MP3 file. The official record of any Court hearing is the written transcript. See Local Rule 5007-1(d).

(2) An attorney or pro se party involved in a hearing may request that public access to the digital audio recording of the hearing be restricted by filing an application that shows good cause for restriction, at least 24 hours prior to the commencement of the hearing. The motion must be served on notice to all attorneys and pro se parties involved in the hearing, as well as the case trustee and the United States Trustee. The burden is on the applicant to demonstrate grounds, under § 107, which warrant restricting access to the audio recording of the hearing.

(c) Remote and Emergency Hearings. Hearings may be held remotely, or in exigent circumstances on limited or no notice, with Court approval. See, e.g., Local Rule 9075-1.

(d) Official Written Transcript. Since this Court uses an electronic recording system to record all hearings, a party may request an official transcript from a transcription service of their choice. The Clerk will provide a recording of the hearing to the designated transcription service, on the transcription service's request. The party requesting the transcript will be responsible for paying all expenses for preparing the transcript

(e) Procedures for Protecting Privacy.

(1) Temporary Restriction Period. Transcripts filed with the Clerk will, temporarily, be restricted to court users and case participants only. This temporary restriction period affords attorneys and any pro se parties involved in the hearing the opportunity to review the transcript to determine if redaction of personally identifiable information is necessary to protect the privacy of witnesses or parties. The temporary restriction period will expire 21 days after the date the transcript was filed, unless upon motion, and a finding of good cause, the Court orders the restriction period enlarged or reduced.

(2) Filing a Request for Redaction. During the temporary restriction period, a party seeking a redaction must file a request for redaction with the Clerk and serve a copy on the transcriber. See Local Form R. On the request for redaction form, the party must identify the category or type of information to be redacted and provide the location of the information in the transcript. Parties should not recite the information they seek to have redacted since the request for redaction is a public filing.

(3) Form of Redaction. The transcriber must redact personally identifiable information in the following manner:

(A) names of minor children must be limited to their initials;

(B) dates of birth must be limited to the year of birth;

(C) home addresses of non-debtor individuals must be limited to city and state;

(D) social security numbers must be limited to the last four digits;

(E) taxpayer identification numbers must be limited to the last four digits; and

(F) financial account numbers must be limited to the last four digits.

(4) Applications to Redact Other Information. A party seeking to redact information other than that listed in subparagraph (4) above, must file a motion demonstrating good cause for that relief and serve their application on those attorneys and pro se parties who were present at the hearing from which the transcript was produced, as well as the case trustee and United States Trustee.

(5) Lifting of Temporary Restriction.

- (A) No Application to Redact Filed. If no application to redact is filed within the temporary restriction period, the Court will conclude the parties to the hearing have no objection to the transcript. In that event, when the temporary restriction period ends, the Court will lift the temporary restriction on the transcript and the transcript will then be available to the public, unless the Court determines *sua sponte* that part or all of the restriction should remain in place.
- (B) Application to Redact Filed. If an application to redact is filed, the temporary restriction on the transcript will not be lifted until the later of the completion of the redactions by the transcriber, the Court's ruling on the application to redact, or other order of the Court related to the transcript.

(f) Parties' Responsibilities as to Personally Identifiable Information.

- (1) Limiting Inclusion of Personally Identifiable in Hearings. Parties and their counsel should make all reasonable efforts to avoid introducing personal identifier information into the record.
- (2) Other Responsibilities. It is the responsibility of the parties at a hearing to (A) monitor the docket of the case to be aware when the transcript is filed, and (B) file a timely objection to the inclusion of any personally identifiable information in the record.
- (3) Sanctions. A party who causes personally identifiable information to be included in the record may be required to pay the cost of any redactions and shall be subject to such other sanctions as the Court deems appropriate under the circumstances.

RULE 5010-1. REOPENING CASES.

- (a) Generally.** A party who files a motion to reopen a case must serve notice of the motion in the same manner as any other contested matter, except when the motion seeks to reopen a case for the sole purpose of filing Official Form 423.
- (b) Motion to Reopen a Case to File Official Form 423.** See Local Rule 4004-2(a); Local Rule 9013-4(b)(36).

RULE 5070-1. COURT CALENDARS AND SCHEDULING HEARINGS.

Abrogated.

RULE 5071-1. CONTINUANCES.

Abrogated.

RULE 5072-1. COURTROOM DECORUM.

To maintain the decorum of the courtroom and integrity of the proceedings, all parties and their representatives must treat all persons in the courtroom or in the vicinity of the hearing with dignity and respect.

RULE 5073-1. DEVICES PROHIBITED IN COURTHOUSE; BROADCASTING BY THE COURT.

- (a) Prohibition against Certain Devices.** The use of electronic devices by parties other than attorneys and court staff is expressly prohibited in any court facility, except with the Court's permission. Failure to

follow this Rule will be grounds for refusal of admission to court facilities and may subject the offender to (1) detention, arrest, and prosecution as provided by law, or (2) sanctions imposed by the Court.

- (b) Limited Permission for Attorneys.** An attorney may use an electronic device for work purposes while in the courtroom if the device is silent and does not disrupt, delay, or interfere with court proceedings.

RULE 5091-1. JUDGE’S SIGNATURE.

PART VI – COLLECTION AND LIQUIDATION OF THE ESTATE

RULE 6003-1. FIRST DAY MOTIONS.

- (a) Notice of Preliminary Hearing on First Day Motions.** A debtor seeking immediate relief upon filing must provide notice of the preliminary hearing on first day motions to the United States Trustee, the Subchapter V Trustee (if any), the committee of unsecured creditors (if any, and if there is no committee, then to the 20 largest unsecured creditors), as well as to any other parties directly affected by the motions. If the debtor seeks to have these hearings held on shortened notice, or as remote hearings, the debtor must label the motion as an emergency motion, promptly contact the courtroom deputy to set a hearing date and verify the hearings may be held remotely, and serve notice by electronic mail, hand delivery, or such other means as the Court approves. See also Vt. LB Appendix IX.

- (b) Notice of Final Hearing on First Day Motions.** Unless ordered otherwise, the debtor must serve notice of the final hearing on first day motions on all creditors.

RULE 6004-1. SALE OF ESTATE PROPERTY.

- (a) Sales Free and Clear of Liens.** A party seeking to sell property free and clear of liens under § 363(f) must file a motion and obtain a Court order approving the sale.

(1) Contents of Motion. The motion must include:

- (A) a detailed description of all property to be sold;
- (B) a list of the holders and amounts of all secured claims against each property to be sold;
- (C) the proposed bidding, auction and sale terms and procedures, including any governing (i) qualification of bidders, (ii) good faith deposits, (iii) bid deadlines, (iv) forms of bid, (v) bid protections proposed to be offered to an initial or “stalking horse” bidder, (vi) back up bids, (vii) modifications of any bid or auction dates, deadlines, or procedures and how such modifications will be communicated to parties in interest, and (viii) whether and how the bidding at the auction will be recorded, transcribed, and/or reported.
- (D) the date, time, and location of (i) any hearing to approve bidding and sale procedures, (ii) any auction, and (iii) the hearing to approve the sale;
- (E) a list of all methods used or proposed to advertise the sale to potential bidders; and
- (F) a description of the due diligence undertaken to identify and provide notice to (i) all parties

with an interest in the property being sold, and (ii) all potential bidders.

- (2) Notice. The notice of sale must set forth the information outlined in subparagraph (1) above and may do so in summary form. The notice of sale must also make clear the sale is subject to Court approval. The notice of sale and notice of motion must be served on all secured creditors, the United States Trustee, all parties who have (or are identified on public record as claiming to have) an interest in the property being sold, all other parties listed on the master mailing list, and all parties that the movant, through due diligence, determines to be potential bidders.
- (3) Hearing to Approve Proposed Sale Procedure. If a movant seeks Court approval of a proposed sale procedure (e.g., proposed bidding procedure for an auction to be conducted at a subsequent hearing), a hearing to approve the proposed sale procedure must be set at least seven days before the proposed sale, unless the Court approves a shorter time. The movant must set a hearing to approve the sale within seven days of completion of the sale, unless the Court approves a longer time.

(b) Other Sales Outside the Ordinary Course of Business. The debtor-in-possession or case trustee may seek approval of a sale outside the ordinary course of business through a notice of intent to sell, if the movant is not seeking to sell property free and clear of liens, and the aggregate value of the estate's property being sold is less than \$2,500. A notice of intent to sell or a motion to sell for estate property valued more than \$2,500, outside the ordinary course of business must include:

- (1) the type of sale and a list of all known prospective purchasers;
- (2) the terms of sale, including but not limited to (A) the location and condition of the items to be sold, (B) bidding procedures, (C) the minimum bid, if any, and whether the sale is subject to higher and better offers, (D) the funds required to be paid at the time the sale is approved, (E) the form of funds required at the time of approval and time of closing of the sale, and (F) a proposed date for both the approval and closing of the sale;
- (3) identification of the property (e.g., the VIN, make, model, and serial number of a vehicle; volume/page number and town where ownership of real property is recorded; street address of real property), as applicable;
- (4) the names and purported interests of all parties known, or discoverable after reasonable investigation, to claim an interest in the property;
- (5) the fair market value of the property, the basis for that valuation, and the amount and holder of any outstanding indebtedness secured by the property;
- (6) a copy of the contract; and
- (7) any other information that provides due process to all parties in interest and is likely to maximize the sale price.

(c) Form of Orders Approving Sales. All proposed orders approving sales must state the name and address of the buyer, identify the property sold, specify the amount paid, and disclose the net proceeds to the estate. If the terms of sale do not match exactly the terms set forth on the notice of sale, the proposed order must identify and explain the differences.

(d) Orders Based on Notice of Intent to Sell. The Court will enter an order approving the case trustee's sale of estate property when the trustee files a proposed order in conjunction with a notice of intent to sell, as referenced in paragraph (b) above, only if the proposed order:

- (1) contains all the information set forth in the notice;
- (2) indicates no objections were filed within the time required under the applicable Bankruptcy Rules; and
- (3) contains sufficient specificity to enable the Court to determine whether all statutory requirements of § 363(b)(1) have been met.

(e) Sale or Refinance of Property in Chapter 12 and 13 Cases.

- (1) Approval Procedures. No sale or refinance of the debtor's principal residence or other real property may take place while a chapter 12 or 13 case is pending unless:
 - (A) the Court approves the sale or refinance after notice to all parties in interest, see Bankruptcy Rule 2002(a)(2); or
 - (B) the debtor obtains the chapter 12 or 13 trustee's approval using the procedure described in subparagraph (2) below.
- (2) Chapter 12 or 13 Trustee's Approval.
 - (A) If the debtor wishes to use the proceeds of a sale or refinance of real or personal property to fund a chapter 12 or 13 plan, the debtor may request a "Certificate of Approval" from the chapter 12 or 13 trustee on seven days' notice to all parties in interest only if at least one of the following conditions is met:
 - (i) to the extent there are net proceeds, all net proceeds will be dedicated to fund the chapter 12 or 13 plan;
 - (ii) the confirmed chapter 12 or 13 plan provides a dividend of no less than 15% to all unsecured creditors holding allowed claims; or
 - (iii) to the extent the confirmed chapter 12 or 13 plan does not provide at least a 15% dividend to all unsecured creditors holding allowed claims, the net proceeds of the sale or refinance are used to create such a dividend, and any net proceeds the debtor seeks to retain may be claimed exempt under applicable law.
 - (B) The debtor's request for a Certificate of Approval must (i) indicate which of the three conditions will be met if the sale or refinance is approved, (ii) list all debts secured by the property to be sold, and (iii) itemize how the debtor proposes to distribute the proceeds. If no objection is timely filed, then after the expiration of the notice period, the chapter 12 or 13 trustee may issue a Certificate of Approval authorizing the debtor to use the net proceeds of the sale or refinance of the property to fund the chapter 12 or 13 plan in accordance with the debtor's request. If a timely objection is filed, the Clerk's Office will set a hearing on the debtor's request.
- (3) Sale Plans. Even if the chapter 12 or 13 plan sets forth the contents of the sale motion (as required by paragraph (a) or (b) above), the chapter 12 or 13 plan is confirmed, and the confirmation order includes reference to the sale, the debtor must still file a separate motion to approve the sale, and obtain an order granting that motion, prior to consummating the sale.
- (4) Broker's Commissions; Closing Costs. When a chapter 12 or 13 plan calls for the sale of real or personal property and a broker's commission is payable as part of the sale, the broker may collect

a commission of up to 6% (or up to 10% for vacant land or commercial property) of the sale price without a Court order, absent unusual circumstances. If there are unusual circumstances, the debtor must disclose them to the Court and the trustee prior to the sale, if known, and in any event prior to disbursement of the commission. Customary closing costs do not need prior Court approval for disbursement, provided they have been disclosed in the plan or proposed order authorizing the sale.

- (5) Payment of Secured Claims. If there is a mortgage or other claim secured by the property being sold, and the order approving sale directs the debtor to pay that secured claim from the sale proceeds, then the chapter 12 or 13 trustee shall pay any pre-petition arrearage owed to that secured creditor, and the debtor shall pay the balance due that secured creditor directly, unless the Court authorizes a different treatment of the secured claim.

(f) Mortgage Modification.

- (1) Approval Procedures. No mortgage, whether secured by the debtor's principal residence or other real property, may be modified by agreement of the parties while a bankruptcy case is pending unless:
 - (A) the parties to the mortgage file a modification agreement, signed by both the debtor(s) and the lender; and
 - (B) either:
 - (i) the Court grants a motion approving the mortgage modification agreement, after notice to the debtor(s), lender, and the case trustee,
 - (ii) the Court approves a stipulation modifying the mortgage, which has a copy of the fully executed mortgage modification agreement attached, or
 - (iii) the Court approves the mortgage modification agreement as part of the plan confirmation process.
- (2) Debtor's Retention of Funds Available as a Result of the Modification. If a debtor files a motion to approve a mortgage modification and seeks to retain the difference between the prior monthly payment and the current, lower monthly payment due on the mortgage, rather than apply the difference to fund a higher dividend to unsecured creditors, the debtor must set forth in the motion facts to support the request, and must file with the motion an amended Schedule J showing the new payment and current monthly expenses. See Official Form B6J.

(g) Additional Requirements in Chapter 11 Cases. If a chapter 11 debtor-in-possession or trustee seeks authority to sell all or substantially all of the assets of the estate under § 363(b), prior to the entry of a confirmation order, the motion to sell must contain the following:

- (1) a clear and conspicuous statement to that effect;
- (2) the terms of sale, including but not limited to: the location and condition of the items to be sold, the bidding procedures and minimum requirements for bidding, whether the sale is subject to higher and better offers, the funds required to be paid at the time the sale is approved, the form of funds required at the approval and closing of the sale, and a proposed date for both the approval and closing of the sale;
- (3) the information required under Bankruptcy Rule 2002(c);

- (4) the extent to which the proceeds of sale will be used to benefit each class of creditors,
- (5) the extent of the debtor's liabilities;
- (6) the net value of the debtor's remaining assets, if any, not subject to the proposed sale; and
- (7) the business justification for disposing of estate assets before a disclosure statement has been approved or a plan confirmed.

RULE 6005-1. APPRAISERS AND AUCTIONEERS.

(a) Purchase Prohibited. Neither an auctioneer nor any officer, director, stockholder, insider, relative, agent, or employee of an auctioneer may directly or indirectly purchase, or have a financial interest in the purchase of, any property of a bankruptcy estate.

(b) Bond.

(1) **General Requirement.** An auctioneer may not render any services in a bankruptcy case until after the Court has entered an order approving the auctioneer's employment and the auctioneer has furnished (at their expense) a surety bond in favor of the United States of America in each estate. Surety bonds must be approved, and in such sum as may be set, by the Court. Approval of a surety bond is conditioned upon:

- (A) the faithful and prompt accounting of all monies and property which may come into the possession of the auctioneer;
- (B) compliance with all rules, orders, and decrees of the Court; and
- (C) the faithful performance of duties in all respects.

(2) **Blanket Bond.** In lieu of a bond in each case, an auctioneer may file a blanket bond covering all cases in which the auctioneer may act. A blanket bond must be in an amount sufficient to cover the aggregate appraised value of all property to be sold.

(c) Disposition of Proceeds of Sale. Unless the Court orders otherwise, no later than 21 days after the date of sale, the auctioneer must turn over to the trustee, or deposit in a separate interest-bearing account, a sum equal to the proceeds of sale minus the auctioneer's reimbursable expenses. The trustee may not disburse any commission or reimbursement to the auctioneer until the Court enters an order approving the auctioneer's payment, as provided in paragraph (e) below. The Court retains jurisdiction to review the auctioneer's reimbursable expenses for validity and reasonableness. In the event the Court determines that a portion of the expenses deducted from the proceeds of sale is inappropriate or unreasonable, the auctioneer will be required to deliver such funds to the trustee immediately.

(d) Report of Sale. The auctioneer must file a report with the Clerk and serve a copy of the report on the United States Trustee and the case trustee (if any), within 90 days after the conclusion of the sale. The report of sale must set forth:

- (1) the time, date, place, and format of sale;
- (2) a statement of the manner and extent of advertising for the sale and the availability of the items for inspection prior to the sale;
- (3) the terms and conditions of sale that were read to the audience immediately prior to the

commencement of the sale;

- (4) the sign-in sheet that lists the people who were present, either in person or remotely, at the sale;
- (5) the names of all purchasers and the items purchased by each of them;
- (6) the gross amount realized from the sale;
- (7) the amount of sales tax collected;
- (8) an itemized statement of commissions sought, and disbursements made, under this Rule, including the name of the payee and the original receipts or canceled checks, or copies thereof, substantiating the disbursements; if the canceled checks are not available at the time the report is filed, then the report must so state, and the canceled checks must be filed as soon as they become available; where labor charges are included, the report must specify the names of the persons employed, the hourly wage for each employee, and the number of hours worked by each employee;
- (9) if the auctioneer has a blanket bond covering all sales conducted, the auctioneer must also include an explanation of how the bond expenses charged to the estate were allocated;
- (10) the disposition of any items for which there was no bid; and
- (11) such other information as the Court or the United States Trustee may reasonably request.

(e) Application for Commissions and Expenses.

- (1) Notice of Application; Inclusion of Report. An auctioneer must apply to the Court for approval of commissions and expenses on not fewer than 21 days' notice and must have filed the report referred to in paragraph (d) above prior to filing the application for commissions and expenses.
- (2) Calculation of Commission. The maximum allowable commissions on the gross proceeds of each sale are as follows:
 - (A) 10% on first \$100,000 or less;
 - (B) 5% on any amount in excess of \$100,000 up to \$200,000; and
 - (C) 2.5% on any amount in excess of \$200,000.
- (3) Reimbursement of Expenses. The auctioneer will be reimbursed for reasonable and necessary expenses directly related to the sale (including the bond premium or allocable portion of the blanket bond premium) and costs attributable to the sale (including labor, printing, advertising, and insurance, but excluding worker's compensation, social security, unemployment insurance, or other payroll taxes). Unless the Court orders otherwise, an auctioneer will be reimbursed for a blanket bond at a rate of \$100 per case or 10% of the gross proceeds from an auction, whichever is less, minus any amounts previously reimbursed for the bond. If the case trustee hires the auctioneer to transport goods, the auctioneer will also be reimbursed for reasonable costs associated with that transport.

RULE 6006-1. EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

The Court will not approve a debtor's motion to assume an executory contract, including a lease, in a chapter 7 case unless the case trustee has either consented to the executory contract or lease assumption or filed a

Final Report in the case.

RULE 6007-1. ABANDONMENT.

Upon the filing of a Notice of Intent to Abandon filed by the case trustee, the Court may enter an Order of Abandonment provided the notice (a) clearly identifies the subject property, (b) provides proof of the value of the property and of any liens or encumbrances against the property, and (c) contains the necessary information for a motion to abandon (establishing the criteria to demonstrate the property is burdensome or of inconsequential value or benefit to the estate). The proposed order of abandonment must identify the property in the same terms as set forth in the notice of intent to abandon, indicate service has been properly effectuated, and affirm no objections were filed within the time set forth in the applicable Bankruptcy Rule.

RULE 6008-1. REDEMPTION.

Abrogated.

RULE 7016-1. PRE-TRIAL PROCEDURES.

- (a) **Scheduling Conference.** The Clerk will provide the plaintiff with an order on pre-trial deadlines upon the filing of the complaint. The plaintiff shall serve that order, along with the summons and complaint, on each defendant. The courtroom deputy will set and notify all counsel and *pro se* parties of the Bankruptcy Rule 7026(f) scheduling conference shortly after the expiration of the time for filing timely responses.
- (b) **Notice; Appearance.** All counsel and *pro se* parties are required to appear at the scheduling conference unless (1) the parties file a joint proposed scheduling order within the time set in the order on pre-trial deadlines, (2) the Court enters a scheduling order prior to the date set for the scheduling conference, and (3) the Court cancels the scheduling conference. All counsel and *pro se* parties are required to attend all pre-trial conferences; if either fails to appear at a pre-trial conference, or otherwise fails to abide by the requirements of this Rule or the scheduling order, the Court will take such action as it deems appropriate which may include the imposition of sanctions or dismissal of the adversary proceeding.
- (c) **Remote Participation in Pre-Trial and Status Conferences.** Counsel and *pro se* parties may participate in pre-trial and status conferences remotely if the Court approves their remote appearance, they have notified the other parties of their intent to appear remotely, and they have arranged for a remote appearance, through the courtroom deputy, at least one business day in advance.
- (d) **Pre-Trial Statements.** Parties must file a joint pre-trial statement at least seven days before a trial is scheduled to begin. If the parties are not able to agree on the terms of a joint pre-trial statement, then each party must file and serve a separate pre-trial statement that identifies the terms in dispute, with an affirmation the party has made a diligent, good faith effort to produce a joint pre-trial statement but was unable to do so. All pre-trial statements must comport with Vt. LB Appendix VI.
- (e) **Motion to Modify Scheduling Order.** A motion to modify a scheduling order must include a proposed order with the following provisions:
- (1) Based on a stipulation of the parties, the due dates set forth in the scheduling order dated [date] are modified as follows: [list of all requirements that have new due dates, with the new dates listed].
 - (2) The following dates for future performances remain unchanged and in effect as set forth in that scheduling order: [list of all requirements whose due dates are not changing, with the original due dates listed].

RULE 7024-2. CLAIM OF UNCONSTITUTIONALITY.

RULE 7026-1. DISCOVERY.

Pursuant to Bankruptcy Rule 7026, the provisions of Rule 26 of the Federal Rules of Civil Procedure apply to all adversary proceedings, unless the Court orders otherwise.

- (a) **Limits on Interrogatories.** No party may serve any other party, at any one time or cumulatively, more than 25 written interrogatories, including all discrete sub-parts. Exceptions to this Rule may be granted by the Court upon written motion showing good cause. The parties should not file interrogatories with the Clerk.
- (b) **Limits on Depositions.** No party may take more than 10 depositions, whether on oral examination under Bankruptcy Rule 7030 or on written questions under Bankruptcy Rule 7031. Exceptions to this

Rule may be granted by the Court on written motion showing good cause. Transcripts of depositions should not be filed with the Clerk.

- (c) **Requirement of a Writing.** All objections to interrogatories, depositions, requests, and applications under Bankruptcy Rule 7037, and all motions and responses concerning discovery matters, must be in writing and recite with specificity the objectionable interrogatory, deposition, request, or application. If time does not permit the filing of a written objection or motion, the Court may, in its discretion, waive this requirement.
- (d) **Objections to Discovery Process.** A Bankruptcy Rule 7037 objection to any interrogatory, deposition, request, or application must be filed within 28 days after service of the objectionable interrogatory, deposition, request, or application, unless the Court orders otherwise. The filing of an objection will not enlarge the time within which the objecting party must answer or respond to any discovery matter not specifically included in the objection.
- (e) **Mandatory Consultation among Counsel.** Motions raising any type of discovery dispute must be accompanied by a statement affirming movant has made a good faith effort to resolve the discovery matter(s) at issue.
- (f) **Motion to Compel.** If a party timely objects to, or fails to timely comply with, a discovery request and the parties are not able to resolve the issue through good faith efforts, it is the responsibility of the party initiating discovery to bring the matter before the Court in a timely manner. To compel an answer, production, designation, or inspection, a party may file a motion under Bankruptcy Rule 7037, unless the Court has already granted a motion to quash. A party who was properly noticed of a deposition must appear and participate in the deposition.
- (g) **Responses to Discovery Motions.** All responses to discovery motions must be filed within 14 days after service of such motions, unless the Court orders otherwise.
- (h) **Compliance with Discovery Orders.** After the Court has ruled on a discovery motion, the party must file the required response or answer, production, designation, inspection, or examination within 14 days, unless the order provides otherwise.
- (i) **Failure to Comply with Order.** If a party fails to comply with an order of the Court concerning a discovery motion, it is the responsibility of the objecting party to place the matter before the Court for supplementary relief.
- (j) **Unnecessary Discovery Motions or Objections.** A party who presents the Court with unnecessary discovery motions or requests, or unwarranted opposition to proper discovery motions or requests, may be subject to sanctions including the imposition of costs and attorney's fees.

RULE 7041-1. CONDITION FOR VOLUNTARY DISMISSAL OF A § 727 COMPLAINT.

If a party to an adversary proceeding based on a complaint objecting to a debtor's discharge seeks to voluntarily dismiss the proceeding, the party must file a motion and affidavits from both the plaintiff(s) and the debtor(s) affirming the debtor has not given or been promised any consideration in exchange for the dismissal of the adversary proceeding or, if some consideration has been promised or given, then movant must describe the nature, terms, and amount of that consideration. All motions for voluntary dismissal of a § 727 complaint must be set for hearing, with notice to all creditors using the conventional noticing procedure.

RULE 7055-1. DEFAULT.

Abrogated.

RULE 7056-1. SUMMARY JUDGMENT.

(a) Summary Judgment Motions.

- (1) Statement of Undisputed Facts and Memorandum of Law. A motion for summary judgment must be accompanied by a separate, short, and concise statement of undisputed material facts and a memorandum of law in support of the motion. Failure to file either may result in denial of the motion.
- (2) Opposition; Statement of Disputed Facts; Memorandum of law. A party opposing a motion for summary judgment must file a response no more than 21 days after the motion is served, and must simultaneously file (1) a separate, short, and concise statement of disputed material facts which identifies and controverts specific statements in the movant's statement of undisputed material facts, and (2) a memorandum of law in support of respondent's position.
- (3) Facts Admitted. The respondent is deemed to have admitted all facts in the movant's statement of undisputed material facts which the respondent does not controvert in their statement of disputed material facts.
- (4) Time for Filing. Summary judgment motions must be filed by the date specified in the scheduling order.
- (5) Reply. The movant may file a reply with a memorandum of law within seven days of the date the response is filed. The reply should assume the Court's familiarity with the movant's initial memorandum of law and the opposition's response. The reply should address only points raised in the response.

(b) Consideration and Ruling by the Court.

- (1) Parties who want the Court to consider portions of the record in connection with a motion for summary judgment must make specific reference to those portions of the record. To expedite a decision or for other good cause, and on notice to all parties, the Court may rule on a motion for summary judgment before the expiration of the 21-day period ordinarily permitted for the filing of opposition papers.
- (2) The parties to a motion for summary judgment must specify in each pleading whether they request oral argument. After the final deadline for filing documents has passed, the Clerk will notify the parties whether the Court will require oral argument.

(c) Special Notice Required to Pro Se Litigants. If a party names and serves a motion for summary judgment on a pro se litigant, that party must also simultaneously serve the litigant with (1) a special notice designed to inform that litigant of the potential consequences of not responding to the movant's motion, and (2) a copy of Rule 56 of the Federal Rules of Civil Procedure. See Local Form T (Notice to Pro Se Litigant to be Served with Motion for Summary Judgment).

RULE 7056-2. SUMMARY JUDGMENT – MEMORANDUM OF LAW REQUIREMENTS.

RULE 8008-1. FILING PAPERS ON APPEAL.

After the appellate court clerk has given all parties notice of the date on which the appeal was docketed, all subsequently filed documents related to the appeal must (A) bear the civil case number assigned by the appellate court, the bankruptcy case number(s) (and adversary proceeding number(s), if any), and (B) be filed in the appellate court.

RULE 9010-2. POWERS OF ATTORNEY.

Any party who participates in a case or adversary proceeding as an agent pursuant to a power of attorney may exercise only such authority as the power of attorney specifically grants and must file with the Court a copy of the power of attorney upon which they rely. See 14 V.S.A. § 3501 *et seq.*

RULE 9011-1. ATTORNEYS – DUTIES AND RETENTION OF DOCUMENTS.

(a) Acceptance of Employment. A debtor’s attorney has the duty to render complete and competent services. See, Local Rule 2016-1(h).

(b) Attorney’s Duty to Retain Certain Originals of Electronically Filed Documents. The debtor’s attorney must retain paper originals of all signed and electronically filed documents for five years from the date of filing. If the document was signed via a digital signature software product, the attorney must retain (1) a paper copy of the filing and (2) proof the client executed the digital signature (e.g., DocuSign

certificate of completion). The filer may be required to provide the paper originals to the Court upon the Court's request, and to other parties upon appropriate orders or subpoena.

RULE 9011-2. PRO SE PARTIES – SIGNATURE, RETENTION OF DOCUMENTS, ELECTRONIC FILING.

- (a) Signature and Contact Information Required.** Unless ordered otherwise, parties not represented by an attorney, (pro se parties), must sign and include their mailing address, residence address, e-mail address, and telephone number on all documents presented for filing. See Local Rule 9011-4(c); Local Rule 4002-3.
- (b) Duty to Retain Originals of Documents Transmitted by E-Mail for Filing.** Pro se parties must retain the originals of any documents they transmit, by e-mail, to the Clerk's Office for filing for five years. On request or order of this Court or any other court, the pro se filer must provide original, signed documents for review. This subsection does not apply to any Official Form 121 submitted to the Court.
- (c) Electronic Filing Options.** See Local Rule 5005-3(a)(2) (non-attorneys may file electronically by means other than CM/ECF); see also Local Rule 5005-4(a) (requirements for filing documents by e-mail).

RULE 9011-3. SANCTIONS.

A party seeking an order imposing sanctions must demonstrate they have given proper notice to the party against whom they seek sanctions and present evidence, generally at an evidentiary hearing, to warrant imposition of sanctions against that party. If the Court determines the movant has effectuated proper notice and presented sufficient evidence, the Court may rule on the motion without a hearing.

RULE 9011-4. SIGNATURES.

- (a) Signing of Documents Generally.** All documents, motions, pleadings, and other papers that are transmitted for filing must be signed by an attorney of record in the attorney's own name or, if there is no attorney, by the party. Debtors must sign all petitions, schedules, and statements.
- (b) Electronic Signatures of Attorneys.** The signing of a document electronically, either through CM/ECF or via email constitutes the signature of the attorney for purposes of Bankruptcy Rule 9011, all other Bankruptcy Rules, these Rules, and any other purpose for which a signature is required, regardless of who filed them.
- (c) Ink or Digital Signatures of Non-Attorneys.** All filed documents signed by a non-attorney must be signed in ink or via a digital signature software product that uses two-factor authentication. An electronic image of the non-attorney's signature in ink is acceptable and shall be treated as the original signature for purposes of Bankruptcy Rule 9011, all other Bankruptcy Rules, these Rules, and for any other purpose for which a signature is required. See also Local Rule 9011-2(a) (contact information required with *pro se* party signatures).
- (d) Signatures of Multiple Persons on a Single Document.**

(1) When a document requires the signature of more than one party, the filer may effectuate the signatures using any of the following procedures:

- (A) filing a scanned document containing a party's signature in compliance with the requirements described in paragraphs (b) and (c) above;

- (B) identifying in the document any party who has authorized the filer to affix their signature to the document, and affixing the other party's signature in compliance with the requirements described in paragraphs (b) and (c) above;
 - (C) identifying in the document any party whose signature is still required, with a representation that the party will file evidence of consent within two business days; or
 - (D) providing the required signatures in any other manner approved by the Court.
- (2) A party must file their consent on the record within two business days of the subject document being filed for their signature to be deemed received.
- (e) **Unauthorized Use of Password (Electronic Signature) Prohibited.** Only registered users of CM/ECF and their authorized agents may use CM/ECF. Registered and authorized users are prohibited from allowing others to use their password or electronic signature.

RULE 9013-1. MOTION PRACTICE.

- (a) **Form of Motion; Content of Motion.** Except when an oral motion is specifically permitted by the Court, all requests for relief, objections to claim, and objections to exemption must be presented in writing. Motions must (1) state with particularity the relevant law (by title and section) and/or the relevant procedure (by rule) upon which the movant relies, (2) clearly describe all relief requested, and (3) include a brief summary of the facts and circumstances which support granting of the relief.
- (b) **Mandatory Consultation of Counsel Prior to Filing any Motion.** The movant must (1) certify they have contacted opposing counsel (or the opposing party if not represented by counsel) and made a good faith attempt to obtain a settlement, a stipulation to the relief sought, or some other resolution prior to filing the motion; or (2) acknowledge they have not contacted opposing counsel (or the opposing party if not represented by counsel), set forth good cause for a waiver of this requirement, and request a waiver.
- (c) **Affidavits.** When the relief sought requires the Court to make a finding of fact or to resolve a factual dispute, the movant must file an affidavit in support of the relief requested. This requirement applies to all motion.
- (d) **Exhibits and Attachments Filed with Motions.** Movants registered to use CM/ECF file any documents referenced as exhibits or attachments in electronic form. Movants with lengthy exhibits or attachments should file only excerpts of the referenced documents which relate directly to the matter under consideration by the Court. A movant who files an excerpt of a document under this Rule does so without prejudice to their right to file additional excerpts or the complete document. Responding parties may file additional excerpts or the complete document that they believe relevant.
- (e) **Motion to Convert a Chapter 7 Case to Chapter 13.** A debtor seeking to convert their chapter 7 case to one under chapter 13 must do so by motion, stating that they are eligible for chapter 13 relief and they are filing the motion to convert in good faith. The debtor must serve notice of this motion on all creditors and parties in interest. See Local Rule 9013-4(b)(9); see also Vt. LB Appendix II.
- (f) **Stipulated Motions.**
- (1) Whenever a motion is stipulated, it must (A) include the word “stipulated” in the title of the motion and (B) include a statement of consent in the body of the motion.
 - (2) Parties to a stipulated motion must (A) agree to the relief sought before the motion is filed and (B)

affirmatively evidence their consent to the motion either by signing the motion or filing their consent within two business days of the motion being filed.

- (3) If all required consents are not filed by the expiration of this time period, the Clerk's Office will send a no action notice to the filing party and the stipulation will have no force and effect; the movant will be required to re-file the motion in compliance with this Rule.
- (4) Generally, a stipulated motion may include a "SO ORDERED" provision at the end of the stipulation, i.e., an endorsement form of order, rather than a separate proposed order.
- (5) A separate proposed order is required when (A) the stipulated motion seeks relief from stay to enforce rights against real estate, or (B) the stipulated motion contains an extensive factual recitation.

(g) Motions Seeking Expedited Relief or Relief on Shortened Notice. Any motion seeking expedited relief, or relief on shortened notice, must clearly state why expedited relief is needed and why the movant did not seek relief earlier. Failure to include this information is grounds for denial of the motion.

(h) Proposed Orders. Each motion filed and served (except for stipulated motions) must include a proposed order for the Court's consideration, filed as an attachment to the motion.

(i) Stipulated Proposed Order Eliminating the Need for a Hearing; Deadline for Filing. Unless ordered otherwise, a scheduled hearing will proceed unless a stipulated proposed order that resolves the motion is filed, with all required consents, by 10:00 a.m. on the last business day before the hearing. The Court will not review, and the Clerk's Office will not act on, any document filed after the 10:00 a.m. deadline and the scheduled hearing will proceed as if the late filed document had not been filed. A party may obtain an extension or waiver of this deadline only upon a showing of emergency or exigent circumstances over which the party had no control.

RULE 9013-2. HEARINGS –GENERALLY.

(a) Scheduling a Hearing on a Motion. Movant is responsible for scheduling a hearing on any routine, non-evidentiary motion and to serve notice of that hearing. A party may use either the conventional noticing procedure or the default noticing procedure. See Local Rule 9013-3; Local Rule 9013-4. The courtroom deputy will set all other hearings, including evidentiary matters, pre-trial conferences, and scheduling conferences.

(b) Routine, Non-Evidentiary Motions. The Court designates the following to be routine, non-evidentiary motions:

- (1) In a Bankruptcy Case. Unless otherwise directed by the Court or provided in these Rules, all motions that do not require the presentation of evidence will be considered routine, non-evidentiary motions. Although motions for relief from stay are considered evidentiary, they are routine; therefore, a movant should treat a motion for relief from stay as routine and schedule the hearing, unless the movant intends to present evidence. See Local Rule 4001-1(g).
- (2) In an Adversary Proceeding. All motions in an adversary proceeding are considered non-routine, except for (A) motions to compel, (B) motions to continue or to expedite, (C) motions to withdraw as counsel for the debtor, and (D) any motions which can be scheduled using the default noticing procedure. See Local Rule 9013-4(b). The courtroom deputy will set the hearings for all other adversary proceeding motions.

(c) Form of Hearing Notice.

- (1) Generally. For all routine, non-evidentiary motions, the moving party must file and serve a hearing notice. See Local Rule 9013-3 (requirements for noticing a hearing under the conventional procedure); Local Rule 9013-4 (requirements for noticing a hearing under the default procedure); see also Local Form U-1 (model notice of motion under conventional procedure); Local Form U-2 (model notice of motion under default procedures).
- (2) Hearing Dates/Times. Court calendar dates and designated times for hearings are posted on the Court's website or may be obtained by contacting the courtroom deputy at (802) 657-6404). Unless a movant obtains Court approval in advance and shows exigent circumstances, the movant should schedule a hearing based on the Court's designated hearing schedule.
- (3) Hearing Sites. Matters may be scheduled for hearing at the Rutland or Burlington location, based upon the location of the debtor, unless the Court approves otherwise.
- (4) Minimum Notice. Unless a longer period is required by the Code or the Bankruptcy Rules, a movant must serve a notice of the motion at least 14 days before the hearing date. See Bankruptcy Rule 2002; see also Vt. LB Appendix VIII.

(d) Multiple Motions. If a movant files multiple motions at the same time (or close in time) in the same case, they should set all hearings on those motions for the same date, time, and location.

(e) Attendance at Hearings.

- (1) A party who initiates or opposes a motion and later decides not to actively pursue its position, must immediately notify all counsel of record, *pro se* parties, and the Clerk, so that the Court, counsel, and any *pro se* parties are not required to devote any further attention to the matter. Unless excused by the Court, the Court will treat a party's failure to attend a duly noticed hearing in support of their position as either (1) a waiver of the pleading, motion, objection, or other response, or (2) consent to the granting or sustaining of the relief sought by the attending party and a basis for imposing sanctions.
- (2) Counsel must arrange for use of courtroom technology or other audio-visual aid with the courtroom deputy sufficiently in advance of the hearing to allow for the requested equipment to be set up during hours when the Court is not in session.
- (3) A party must obtain Court approval to participate remotely in a Court hearing or conference. See Appendix IX.

(f) Rescheduling Hearings; Stipulated and Unstipulated Motions to Reschedule.

- (1) If a party files a motion to reschedule a hearing without the consent of opposing counsel, they must also file a notice of hearing and set a hearing on that motion for a date and time before or at the time of the hearing on the underlying motion. Alternatively, a party may file a stipulated motion to reschedule and obtain relief without a hearing for good cause. This requires (1) proof that all parties entitled to notice of a hearing have been served, (2) a description of the facts which show the benefit of, or need for, a rescheduling of the hearing, and (3) evidence that all parties in interest stipulate to the motion or request for relief. No notice of hearing is necessary if the movant files a stipulated motion to reschedule.
- (2) No continuance, postponement, or rescheduling will be granted except upon a motion or stipulation showing good cause and, on such terms, and conditions as the Court may impose. Agreement of

counsel alone does not constitute good cause.

- (3) A request for a continuance based on a conflicting engagement must be accompanied by proof that the other matter was scheduled first and must be filed timely with the Clerk.

RULE 9013-3. HEARINGS –NOTICES UNDER CONVENTIONAL PROCEDURE.

- (a) Meaning of Conventional Procedure.** When a movant schedules a hearing on a motion pursuant to Local Rule 9013-2(a), and either the default procedure under these Rules is not available or the party chooses not to use that default procedure, the Court will hold a hearing on the motion under the “conventional procedure.”
- (b) Form of Hearing Notice.** The following must be in each notice of motion using the conventional procedure:
 - (1) Title of Notice. The title of the hearing notice must be “Notice of Motion;”
 - (2) Response Deadline. The deadline for filing responses to a motion scheduled under the conventional procedure may be no later than three business days before the hearing date, and this 3-day period may be included within the required notice period;
 - (3) Mandatory Language. A notice of motion using the conventional procedure must substantially comply with Local Form U-1.

RULE 9013-4. HEARINGS – NOTICES UNDER DEFAULT PROCEDURE.

- (a) Meaning of Default Procedure.** Certain requests for relief under the Code or the Bankruptcy Rules may be determined without a hearing (at the option of the movant), provided parties entitled to notice of the motion are afforded an opportunity for a hearing. Under the default procedure, if a party files a timely response to the motion, the Court will hold a hearing on the date designated on the notice, unless the Court decides in its discretion, that no hearing is necessary and enters an order prior to the hearing date. If no response is timely filed, the Court may enter an order without a hearing. However, if an order has not been entered before the hearing date, the scheduled hearing will proceed, and the movant must appear. If the Court determines a hearing is necessary, it will hold a hearing even in the absence of a response to the motion. The default procedure is optional.
- (b) Relief Available Through Use of the Default Procedure.** The default procedure may only be used for applications or motions seeking the following relief:
 - (1) abandon property (11 U.S.C § 554(b));
 - (2) allow administrative expenses (other than professional fees) (11 U.S.C.§ 503(b));

- (43) vacate discharge to allow debtor to seek approval of a reaffirmation agreement (Local Rule 4008-1);
- (44) valuation of collateral and allowance of secured claim (11 U.S.C. § 506(b); Bankruptcy Rule 3012);
- (45) venue, change (28 U.S.C. § 1412); and
- (46) waive requirement to make conduit mortgage payments (Local Rule 3015-6(a)(9), (b)(2)).

(c) Form of Hearing Notice. The following must be included in each notice of motion filed under the default procedure:

- (1) Title of Notice. The title of the notice must be “Notice of Motion under Default Procedure.”
- (2) Response Deadline. The deadline for filing responses to a motion scheduled for a hearing using the default procedure may be no later than seven days before the hearing date; this 7-day period is in addition to the requisite notice period.
- (3) Mandatory Language. A notice of motion using the default procedure must substantially comply with Local Form U-2.

RULE 9013-5. MEMORANDA OF LAW.

(a) Memoranda of Law Generally Required. A motion and supporting memorandum of law may be filed as a single document provided the movant includes both items in the caption and docket entry.

(b) Form of, and Filing Deadlines for, Memoranda of Law. Each memorandum of law filed in this Court must (1) be succinct, (2) not exceed 15 pages in length without prior leave of the Court, (3) include a concise statement in support of each argument with relevant citations, and (4) be either a part of, or an attachment to, a motion. A party filing a memorandum of law in opposition to a motion must file it within 14 days after service of the motion, unless a different response time is permitted by the Bankruptcy Rules, these Rules, or Court order. If time permits, the movant may file a reply provided it is filed within seven days after service of the memorandum of law opposing the motion, and at least three days before the date set for the hearing; a reply memorandum of law may not exceed five pages in length without prior leave of the Court. A sur-reply memorandum of law, if necessary, may be filed in response to the reply, provided it is filed no later than noon on the last business day prior to the date set for the hearing; a sur-reply memorandum of law may not exceed three pages in length without prior

leave of the Court. If a memorandum of law contains a citation not generally available on Westlaw or Lexis, the citing party must provide a copy of the cited material to opposing parties and the Court. See Local Rule 7056-2(a).

RULE 9013-6. SERVICE AND FILING OF CERTIFICATES OF SERVICE.

- (a) Service Generally.** A movant must file and serve a corresponding notice of motion either prior to or simultaneously with the motion, and then file a certificate of service affirming service of both documents demonstrating (1) they have served all parties entitled to notice under the Bankruptcy Rules, (2) the caption and date shown on the document served; (3) the name of each party or entity served; (4) the address at which each party or entity was served; and (5) the means of service (e.g., via CM/ECF, e-mail, fax, or first-class mail). The movant may file the certificate of service either as an attachment to the filed document or as a separate document, as further described in paragraphs (c) and (e) below.
- (b) Filing the Certificate of Service with the Motion.** If a movant files the certificate of service at the same time as they file the motion, they shall include the certificate of service as an attachment to the motion.
- (c) Filing the Certificate of Service Separately.** If the movant files the certificate of service after filing the motion as a separate document, movant must specify the document served and either attach a copy of the document served or link the certificate of service to the document in the docket, through their CM/ECF filing entry.
- (d) Service of Documents Filed Electronically.**
- (1) Notice of Electronic Filing (“NEF”). Whenever a document is entered on the docket, CM/ECF will automatically and immediately generate an NEF.
 - (2) Service on Registered Users. If the recipient of an electronically filed document is also a registered user of CM/ECF, the automatic transmission of the NEF will be considered equivalent to service of the document by first-class mail. Within each case, the Clerk maintains a list of all parties and attorneys who will accept service by e-mail through CM/ECF and their e-mail addresses. This information is available through PACER and CM/ECF.
 - (3) Service on Non-Registered Parties.
 - (A) Attorneys. Attorneys who are not registered CM/ECF users cannot be served through CM/ECF. However, they may be served via e-mail at the e-mail address provided in their notice of appearance, and they may also be served by any other means permitted by these Rules. See Local Rule 2090-1(a); see, e.g., subparagraph (B) below.
 - (B) Non-Attorneys. The movant must serve all other parties (i.e., those non-attorneys not registered for CM/ECF) with a paper copy of the electronically filed document in accordance with the Bankruptcy Rules and these Rules, unless a non-registered, non-attorney party consents to accept service and notification by e-mail. If a party gives that consent, transmission of an e-mail with the documents attached to the consenting non-registered, non-attorney party will be considered equivalent to service of a paper copy by first-class mail.
- (e) Service through CM/ECF.** If a movant effectuates service of a document through CM/ECF, the movant need not restate the names and e-mail addresses of the registered users served via transmission of the NEF, provided the certificate of service includes the following language:

I hereby certify that this document filed through CM/ECF will be sent electronically to the registered participants as identified on the Notice of Electronic Filing generated in connection with this document and [paper] copies will be sent to those indicated as non-registered participants on [date] at the following addresses [addresses].

- (f) Consequences of Failing to File a Proper and Complete Certificate of Service.** Failure to file a proper and complete certificate of service may be cause for a hearing to be held on the motion or for the motion to be denied, even if no party files a response to the motion.

RULE 9014-1. CONTESTED MATTERS.

(a) Attendance of Witnesses.

- (1) Court Designated Evidentiary Hearing. The Court may schedule an evidentiary hearing in any matter. In such an instance, at least 14 days prior to the hearing or any shorter period as the Court may set or approve, each party to the evidentiary hearing must file with the Clerk, and serve upon the other interested parties, a list of witnesses each party intends to call to testify. See subparagraph (2) below; see also Local Form V. Unless so designated on the Court's calendar, hearings are not evidentiary hearings. See Local Rule 9013-2(b). There is one exception: final hearings on motions for relief from stay are evidentiary hearings per Local Rule 4001-1(g). While a chapter 12 or 13 confirmation hearing in which an objection is filed is treated as a contested matter under the Bankruptcy Rules, the Court will treat the initial confirmation hearing as a hearing either for legal argument only, or as a status conference. Any evidentiary hearing necessitated by an objection to confirmation will be set for a later date. In such an instance, the Court will direct whether the parties need to file a Bankruptcy Rule 9014(e) notice of evidentiary hearing.
- (2) How to Request an Evidentiary Hearing. A party must contact the courtroom deputy to schedule an evidentiary hearing. After scheduling a hearing with the courtroom deputy, the requesting party must file with the Clerk, and serve upon all parties in interest, a notice of evidentiary hearing. Such notice must be filed at least seven days before the hearing, or such shorter time as the Court directs, and must include:
- (A) the date and time of the scheduled hearing (set by the courtroom deputy);
 - (B) the matter or motion that is the subject of the hearing (with reference to the docket number);
 - (C) the amount of time they wish the Court to allocate for the hearing;
 - (D) whether the requesting party has coordinated the request for an evidentiary hearing with opposing counsel and any other parties in interest;
 - (E) the witness(es) the requesting party will call to testify;
 - (F) the response deadline to the notice (no later than three business days before the hearing);
 - (G) any other information the requesting party believes is relevant to the request for the evidentiary hearing; and
 - (H) whether the evidentiary hearing is being held in lieu of a previously scheduled hearing.

See Local Form V.

- (3) **Additional Time and/or Witness(es).** If a party in interest seeks more time than is allocated in the notice of evidentiary hearing, or intends to call additional witnesses to testify at the evidentiary hearing, that party must contact the courtroom deputy at least seven days prior to the hearing to determine if or when additional time is available for the hearing, and file and serve a supplemental notice of evidentiary hearing at least three business days prior to date set for the evidentiary hearing.
- (4) **Stipulation.** Whenever possible, parties should file a stipulated notice of evidentiary hearing. Parties must coordinate the scheduling of an evidentiary hearing with the courtroom deputy, regardless of whether the hearing is requested by one party or by stipulation of multiple parties.
- (5) **Court's Discretion.** The scheduling, noticing, approval, and scope of an evidentiary hearing are within the discretion of the Court and may vary from the notice filed by the parties.

RULE 9018-1. MOTIONS TO RESTRICT ACCESS TO COURT RECORDS.

(a) Order Required to Restrict Access to Court Records. Unless otherwise ordered, all official court records are public documents available for inspection physically and electronically. By Court order, a case, proceeding, document, or ex parte motion may be made inaccessible to the public (sometimes referred to as filed “under seal”) or otherwise have access restricted.

(b) Case, Proceeding, or Document Other Than Ex Parte Motion or Highly Sensitive Document.

- (1) **Motion to Restrict Access Filed as Public Record.** A party requesting that the Court restrict access to a case, proceeding, or document under §§ 107(b) or (c) and Bankruptcy Rule 9018 shall file the motion requesting such relief, and the motion shall become part of the public record.
- (2) **Underlying Document Submitted.** The movant must contact the Clerk's Office to arrange for submission of the document for the Court's in camera review. See Local Rule 1007-1(g) (definition of “submitted”).
- (3) **Service on United States Trustee.** The movant must serve a copy of the motion to restrict access on the United States Trustee via e-mail (to an e-mail address designated by the United States Trustee) or must show cause why the movant should be excused from that requirement. See Local Rule 5005-4(b).
- (4) **Order; Disposition of Submitted Document.** Upon completion of its review of the submitted document, the Court will enter an order granting or denying the motion to restrict access, which the Clerk shall enter in the public record. If granted, the Clerk's Office will maintain the submitted document. See Local Rule 1007-1(g). If denied, the Clerk's Office will return the submitted document to the movant.

(c) Ex Parte Motion.

- (1) **Motion to Restrict Access and Underlying Ex Parte Motion Submitted.** A party seeking ex parte relief (*i.e.*, relief without notice to any other party) must contact the Clerk's Office to arrange for submission of the ex parte motion and a separate motion seeking to restrict access to that ex parte motion, for the Court's in camera review. See Local Rule 1007-1(g) (definition of “submitted”).
- (2) **Service on United States Trustee.** The movant must serve a copy of both the motion to restrict access, and the underlying ex parte motion, on the United States Trustee via e-mail (to an e-mail address designated by the United States Trustee) or must show cause why the movant should be excused from that requirement. See Local Rule 5005-4(b).

(3) Order; Disposition of Submitted Motions. Upon completion of its review, the Court will make a final determination on the motion to restrict access and, if granted, on the underlying ex parte motion; the Clerk's Office will notify the movant directly of the Court's determination. If granted, the Clerk's Office will maintain the submitted motions. See Local Rule 1007-1(g). If denied, the Clerk's Office will return the submitted motions to the movant.

(d) Highly Sensitive Document. A document may be deemed highly sensitive if (a) it contains classified information or information that could harm national security or (b) its disclosure could reasonably be expected to cause exceptionally grave damage or injury to any person, entity, or institution. A motion to treat a document as a highly sensitive document shall be treated as an ex parte motion in accordance with paragraph (c) above, except the document must be submitted to the Clerk's Office in a sealed envelope clearly marked as a "Highly Sensitive Document" (and should not be e-mailed).

(e) Contents of Motion to Restrict Access. A motion to restrict access made pursuant to subparagraphs (b)(1) and (c)(1) above must:

- (1) specify the legal and factual basis for the request;
- (2) specify the date by – or circumstances under – which the requested access restriction may be removed and the case, proceeding, document, or ex parte motion may become part of the public record;
- (3) affirm the movant is seeking the narrowest and shortest-term restriction that will achieve the necessary protection; and
- (4) attach a proposed order.

(f) Modification or Removal of Restricted Access. Upon expiration of the date and/or circumstances specified in subparagraph (e)(2) above, or at any earlier time for cause, the movant or another party in interest may file a motion, based on a change in circumstances, requesting that restricted access be (1) continued, (2) made permanent, (3) deemed moot and the restricted materials destroyed, (4) removed and the restricted materials made part of the public record, or (5) otherwise modified. The movant shall set forth the legal and factual basis for the request. The Court may also sua sponte set a status conference on whether modification or removal of restrictions is appropriate.

RULE 9019-1. ALTERNATIVE DISPUTE RESOLUTION.

(a) Generally. The Court encourages the use of Alternative Dispute Resolution ("ADR") when the parties believe the issues may be resolved through a non-adversarial process. The Court may direct the use of ADR and appoint a mediator in cases it determines are well-suited to non-judicial resolution. The courtroom deputy coordinates the use of ADR in bankruptcy matters.

(b) The District Court's Early Neutral Evaluation Process and Goals. The provisions of the District Court Local Rules regarding Early Neutral Evaluation ("ENE") apply in Bankruptcy Court, subject to modifications necessary to ensure a specialized panel and requirements appropriate to bankruptcy issues. On consent of all parties, or entry of this Court's order, the parties to an adversary proceeding or contested matter will pursue ENE, and complete ENE by the deadline set in the scheduling order. The courtroom deputy coordinates use of ENE in bankruptcy matters.

RULE 9021-1. MEMORANDA OF DECISION, JUDGMENTS, AND ORDERS.

Memoranda of decision, judgments, orders entered after evidentiary hearings, and all orders that set forth a detailed explanation of a ruling, are posted on the Court's website. These documents are available to the public and may be searched by cite, case number, date, or keyword. Parties may cite to the Court's rulings on the Court's website even if designated "Not for Publication" and need not provide copies of any posted decisions or orders to opposing parties or the Court.

RULE 9022-1. NOTICE OF DECREES, JUDGMENTS, AND ORDERS.

All decrees, judgments, and orders of the Court will be filed electronically and in accordance with these Rules; the electronic filing of the decrees, judgments, and orders constitutes entry on the docket kept by the Clerk pursuant to Bankruptcy Rules 5003 and 9021.

RULE 9023-1/9024-1. MOTIONS TO RECONSIDER.

Any motion captioned as a "Motion to Reconsider" will be treated as a motion to alter or amend a judgment or for relief from a judgment or order under Bankruptcy Rule 9023(e) or 9024. Such a motion must address the criteria contained in Bankruptcy Rule 9023 or 9024. Responses to such a motion are not required. However, if a party wishes to respond, they must file their response within seven days of service of motion. The Court will set a hearing on the motion if it determines one is necessary.

RULE 9027-1. REMOVAL/REMAND.

- (a) Notice of Removal.** A party filing a notice of removal must give written notice of removal to all adverse parties and must file a copy of the notice of removal with the clerk of the court from which the civil action or proceeding was removed. The filing of the notice of removal with the Clerk of this Court effectuates the removal and parties to that action may not proceed any further in the other court unless and until this Court remands the case or orders otherwise.
- (b) Procedure after Removal.** The party filing the notice of removal must file with the Clerk of this Court certified copies of all records and proceedings in the court from which the case was removed. The removing party bears the expense of obtaining the certified copies and must obtain and file them within 14 days after filing the notice of removal.
- (c) Remand.** If, at any time before final judgment, it appears that the civil action or proceeding was removed improvidently or that this Court lacks jurisdiction to adjudicate the matter, this Court will remand the case to the court from which it was removed and may order the payment of reasonable and justified costs. The Clerk of this Court will mail a certified copy of the "Order of Remand" to the clerk of the court from which the civil action or proceeding was removed, and thereafter that court may proceed with the case.
- (d) Consent in Core Proceeding.** Each party who files a pleading in connection with a removed cause of action, including the notice of removal, shall include in their initial post-removal filing a statement pursuant to Bankruptcy Rule 9027(e)(3) asserting whether, with respect to each claim or counterclaim: (1) the proceeding is core or non-core; and (2) the party consents to the entry of a final order or judgment by the Bankruptcy Court, consistent with Article III of the United States Constitution.

RULE 9029-1. LOCAL RULES.

(a) Making and Amending these Rules. These Rules may be made and amended by action of the Judges of the United States District Court for the District of Vermont, pursuant to Bankruptcy Rule 9029.

(b) Matters Not Covered by These Rules.

- (1) **Consistent Practice.** In any matter not covered by these Rules, the Court may regulate practice in any manner that is not inconsistent with either the Bankruptcy Rules or the Federal Rules of Civil Procedure.
- (2) **Suspension of Rules.** The Court may, *sua sponte* or on the motion of any party, change or suspend any of these Rules in the interest of justice.
- (3) **Good Cause.** A party seeking a waiver of these Rules must file a motion showing good cause and specifying the scope of the waiver sought on notice to all parties in interest in the case or proceeding who would be affected by such waiver.

(c) Standing Orders. Standing orders may be issued by the Court to keep these Rules current and are available on the Court's website. Standing Orders issued prior to the effective date of these Rules are superseded by these Rules, except as set forth in Appendix X to these Rules.

RULE 9033-1. PROPOSED FINDINGS AND CONCLUSIONS IN CERTAIN CORE PROCEEDINGS.

(a) Generally. If the Court determines it would not be consistent with Article III of the United States Constitution for it to enter a final order or judgment in a particular contested matter or adversary proceeding (1) that was referred to this Court and designated as core under 28 U.S.C. § 157(b), and (2) in which the Court heard evidence and arguments, the Court will enter proposed findings of fact and conclusions of law pursuant to Bankruptcy Rule 9033(a), (b), and (c), and treat the proceeding as if it were a non-core proceeding.

(b) Objections. Any party to a contest matter or adversary proceeding who objects to the Court's proposed findings of fact and conclusions of law must file their objection as specified in Bankruptcy Rule 9033(b). The Clerk will transmit all relevant parts of the record, including the Court's proposed findings of fact and conclusions of law and any objection(s) thereto, to the District Court.

RULE 9070-1. EXHIBITS IN EVIDENTIARY HEARINGS – PRODUCTION, RETENTION, AND CUSTODY THEREOF.

(a) Marking of Exhibits. In an adversary proceeding or a contested matter, counsel (or *pro se* parties) must mark all trial and hearing exhibits, other than rebuttal exhibits. Unless impracticable and waived by the Court, all documentary exhibits must be prepared in a quantity sufficient to provide paper copies to the Court, each opposing counsel, the examining attorney, and the witness during the trial or hearing.

(b) Retention of Exhibits by Attorneys. The attorney or *pro se* party who files or introduces exhibits shall retain the physical original of all exhibits until the time for any appeal expires, except as set forth in paragraph (c) below.

(c) Retrieval of Exhibits from the Clerk; Destruction of Abandoned Exhibits. The party introducing an exhibit will be responsible for retrieving it from the Clerk promptly after the time for any appeal expires. If that party fails to do so, the Clerk may destroy or dispose of the exhibit without further notice.

(d) Appeal. If a party appeals an order or judgment, that party must file all exhibits necessary to perfect the appeal as a part of the record on appeal, in such format as the appellate court requires.

RULE 9071-1. STIPULATIONS.

Abrogated.

RULE 9072-1. ORDERS – PROPOSED.

- (a)** All requests for relief, including applications and motions, except pleadings initiating adversary proceedings and stipulated orders, must be accompanied by a proposed order.
- (b)** A proposed order accompanying an application or a motion that is filed electronically must be (1) filed as an attachment to the application or motion, and (2) served with the application or motion.

RULE 9075-1. EMERGENCY MATTERS.

(a) Defining an Emergency Matter. The Court will deem a matter an “emergency matter” only if the movant demonstrates that the need for immediate relief is necessitated by circumstances beyond the movant’s control and that there is not sufficient time to give the notice required by the Code and the Bankruptcy Rules. A movant’s failure to address a matter in a timely manner does not warrant treatment as an “emergency matter” under these Rules.

(b) Procedures for Seeking Relief in an Emergency Matter.

- (1) **Filing Requirements.** Absent exigent circumstances, the movant must file documents for the Court’s consideration stating the nature of relief sought, the legal basis for that relief, and the facts creating urgency. Movant must include the word “Emergency” in the caption of the documents filed and must either e-file or e-mail the documents to the Clerk’s Office.
- (2) **Telephonic Notice to Clerk’s Office.** To ensure prompt attention, the movant must also call the Clerk’s Office to alert a staff member (**preferably, the courtroom deputy at (802) 657-6404 or the clerk’s office at (802) 657-6400**) that they have just filed an emergency motion.
- (3) **Notice Requirements.** The movant must notify all affected parties, as well as the case trustee and the United States Trustee of any emergency motion. In very time-sensitive instances, the Court may approve notification via telephone or e-mail. Absent exigent circumstances, the movant is required to file a notice of hearing and certificate of service indicating the parties they notified and the method of notification.
- (4) **Hearing.** If, after reviewing the papers, the Court determines an emergency hearing is necessary, the parties shall appear in person for a hearing, unless the nature of the emergency and time constraints warrant remote participation. If testimony will be necessary to support the relief sought, the movant must request an evidentiary hearing. Otherwise, the hearing will be limited to legal arguments by counsel. The movant must coordinate the hearing date, time, and location with the courtroom deputy. If the movant will need participation of parties who can only appear remotely, it is the movant’s responsibility to obtain Court approval of those remote appearances as far in advance of the hearing as possible.
- (5) **Waiver of Filing Requirements and/or Hearing.** If the Court determines there are exigent circumstances, in rare circumstances it may either (A) set a hearing to consider the emergency matter prior to the movant’s filing or service of the motion documents, or (B) rule on the motion

without a hearing. The Court will determine what documents the movant must file and by when, as well as the nature and timing of the hearing after the Court has considered the facts and circumstances of the emergency matter.

RULE 9076-1. STATUS CONFERENCES AND CASE MANAGEMENT CONFERENCES.

(a) In General. Subject to the notice provisions of subparagraph (b)(3) below, the Court on its own motion or on request of a party in interest may hold a status or case management conference at any time during a case or proceeding, for any purpose consistent with the Code including: to address the posture and efficient administration of the case or proceeding; and to establish a case management or scheduling order.

(b) Request for Conference.

- (1) Generally. A request for a conference may either be made in writing or presented orally at a hearing. All requests must (A) specify the matters proposed to be addressed at the conference, (B) identify the parties who have a direct interest in those matters, and (C) include any other information which is likely to assist the Court with the conduct of the conference or in evaluating whether a conference should be held.
- (2) In a Chapter 11 Case. If a conference is requested for a date prior to the appointment of a creditors' committee and the retention of counsel, the requesting party must state why the conference should not be delayed until after the appointment and retention. If made in writing, the request must be served with a copy of any documents on which the request relies, upon the following parties:
 - (A) in the case, to the debtor, the case trustee (if any), the United States Trustee, each official committee appointed to serve in the case (or, if no official committee has been appointed, the holders of the 10 largest unsecured claims), the holders of the 5 largest secured claims, and each unofficial committee that previously has requested the opportunity to participate in conferences; or
 - (B) in a related adversary proceeding to the parties to the adversary proceeding and the United States Trustee.
- (3) Notice of Conference. If the Court grants a party's request for a conference, the requesting party must provide notice of the date, time, location, and purpose of the conference to the parties required to be served under paragraph (b) above. When a conference is scheduled on the Court's own motion, it may direct a party to provide the required notice. If all necessary parties are present before the Court, the Court may direct that a conference be held immediately without advance notice.
